Normally this area will populate, however, if it doesn't, please complete. Also, ensure you submit a valid email address. Currently, European numbers don't fit in the form. AAFES is working that issue. Phone number input is optional.

It is vital that you include a correct email since that is how you will receive notice of your application status.

ALL students including free & reduced status must sign up for an AAFES student meal account if they plan to get the school lunch. Please visit your local EXCHANGE customer service to sign up. You will need your child's DoDEA student ID number.

For more information on the AAFES Student Meal Program visit <http://www.aafes.com/about-exchange/school-lunch-program/>

All DoDEA Europe parents are encouraged to create an account with My Payments Plus (MPP). An MPP account is free and will allow you to monitor and manage your child's lunch account online or through a phone app. It will also send you a trigger email when your AAFES lunch account is low. MPP does charge a small % fee for deposits, but the account and trigger email is absolutely free. You are not required to deposit through MPP. Even with an MPP account you can still make payments at AAFES Cash Cage for free.

Go to www.MyPaymentsPlus.com

Connecting Families, Schools & Communities

Your School Liaison Officer can assist you with questions and concerns regarding schools and the school meal program.
