

Make a difference - become a Substitute Teacher

The Department of Defense Education Activity is accepting new applications for Substitute Teachers for the 2020 - 2021 school year. Substitute teaching is a wonderful opportunity to work closely with the youth of our military community. Apply today!

To submit your application online, please visit USAJOBS at <https://www.usajobs.gov>. You must reapply or update your application once every three months to keep it active throughout the full calendar year.

Please contact your local human resources office if you have any questions:
