

Instructions for opening the Student Teacher Program Application

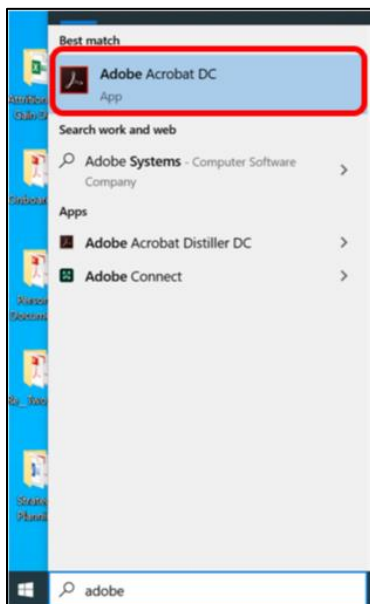

1. Click the “Student Teacher Program Application” hyperlink to open.

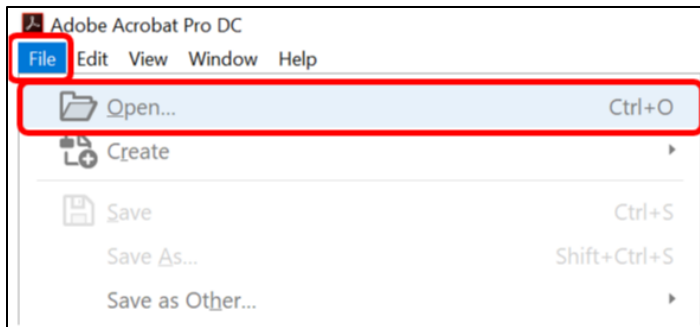

2. A new browser tab will open. Click the “Download” icon and save the file to a location on your computer.

3. Close your browser.
4. Open your version of Adobe from the start menu.

5. Click “File”, then “Open”.

6. A new window will pop up. Find where you save the file, select it, and click “Open”. You should now be able to view the application portfolio.
