four to six-year academic/postsecondary plan. A blueprint for a high school academic and postsecondary planning for students attending grades 7-12. The plan guides the decision-making for selecting appropriate classes to fulfill high school graduation requirements to earn a diploma and pursue identified postsecondary and career goals. The plan is developed during middle school (grade 7) or when a student enters a DoDEA high school and updated regularly. It is developed collaboratively by the DoDEA High School Counselor, DoDEA student, and parent/sponsor/legal guardian and updated annually to organize and reflect the DoDEA student's educational coursework, program of studies, and postsecondary aspirations.
