Dear DoDEA Pacific West families,

I want to take this opportunity to share with you some important end-of-quarter information.

The third quarter for students will end on Tuesday, March 31. Teachers will use the remaining three days of the week (April 1-3) to finalize grades, prepare lessons and classrooms for the return of students, and receive training and instruction on the implementation of mitigation measures.

The health and wellness of our school community remains my priority. Pacific West takes very seriously its responsibility to provide students and employees with a safe, clean environment conducive to learning.

We will continue to communicate with you as we navigate through these unfamiliar times.

I wish you a well-deserved, relaxing spring break. Thank you for your patience, understanding, and support.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Arrington".
