April 10, 2020

Welcome back, Pacific West students and families!

We hope you all had a wonderful spring break and enjoyed time spent together as a family.

As a reminder, virtual learning will resume on Tuesday, 14 April and will continue until further notice. Monday, 13 April will be a teacher workday with staff participating in professional development focused on College and Career Ready Standards and virtual learning.

Staff is working on refining the virtual learning setting and focusing on the specific standards and skills your child will need in order to finish the year strong. We will continue to provide continuity in education through online learning until we are able to safely return to our traditional classrooms.

We will continue to keep you informed and communicate updates as they become available.

We are excited to continue to partner with you for our students and their learning. Thank you for your continuing support.

Sincerely,
