Ramey Unit School Statements

Mission: Educate, Engage, and Empower each student to succeed in a dynamic world.

Vision: To be among the world's leaders in education, enriching the lives of military-connected students and the communities in which they live.

Purpose Statement: Provide a safe, healthy and welcoming environment that supports rigorous learning opportunities meeting the diverse needs of our students.

School Goals:

*Goal 1*: All students at Ramey Unit School will become proficient in mathematics.
- Measurable Objective: 80% of all students will demonstrate proficiency in number sense (K-2nd), problem solving (3-5) and solving patterns, functions, and algebraic problems (6th-12th) in mathematics by 06/16/2020 as measured by selected system-wide and local assessments.

*Goal 2*: All students at Ramey Unit School will become proficient readers.
- Measurable Objective: 80% of all students will demonstrate proficiency in sequencing events (K-2nd), applying reading strategies (3rd-5th), and analyzing text (6th-12th) in reading by 06/16/2020 as measured by selected system-wide and local assessments.

*Being rewritten with current data.*

Mid-Atlantic District “Why”
Because our defenders of freedom and global protection forces in readiness put themselves at risk each day to preserve and defend our American way of life, we support the mission of the Department of Defense and DoDEA.

**Parents and sponsors,** we welcome your active participation in the education of your children here at Ramey, however, if you need to speak with their teacher, please make an appointment so there is enough time to discuss the issue. Their report time is 7:30 AM with class beginning at 7:35 AM. Unfortunately, this does not allow them time to talk before school begins if they have an impromptu visitor. It also takes away from the classroom instruction. Please e-mail or call them to make an appointment. Thank you in advance for your understanding and cooperation.
YEAR IN REVIEW 2019-2020

The Ramey middle school math team had a successful start to the 2019-2020 season. They visited the southwest city of San German for the Copa Sebastian Molina, hosted by the Escuela Secondaria de la Interamericana-San German. Competing against 15 other schools, the Ramey Mathletes finish in a strong 3rd place to come home with the bronze medal. The team of Luke Malavenda, (8th), Abner Cardona (7th) and Robert Rodriguez (8th) did extremely well in their first “Math Bowl” format competition, especially since they were competing against mostly ninth graders.

The next competition will be on November 1st when the high school team travels to Colegio Espiritu Santo to compete against 50 teams. The second annual Ramey Math Bowl will be held on December 6 when Ramey hosts 24 teams from the intermediate and secondary level.

Military Families Appreciation

Ramey School values the service of all men and women who serve in the military and all Federal Agencies. We will never forget that even as our military and federal personnel make sacrifices each day for our country, so do the families. Regardless of whether they are located overseas or at home, our families provide a level of support that many of us may never understand, and we want to ensure you that we will continue to provide support to the community every step of the way. RameyStrong!!

COLLEGE AND CAREER READINESS

DoDEA Comprehensive Assessment System
Students in grades 8-11 will be taking the PSAT over the next two weeks. On October 16th the 10th and 11th grade students will be taking the PSAT/NMSQT. The 8th and 9th grade students will take it on October 22nd. They have been preparing in their math and language arts classes. They also have been given preparation material to use at home. Please remind them of the importance of this assessment and how important it is to prepare.

We are pleased to announce the establishment of the DoDEA Comprehensive Assessment System. The DoDEA Comprehensive Assessment System includes all of the assessments (BAS, PSAT, etc.) delivered systematically within DoDEA, including but not limited to diagnostic, interim and summative College and Career Ready assessments for mathematics and literacy. Beginning in School Year 2018-2019, measurement of student mastery of College and Career Standards for Literacy (CCRSI) and College and Career Standards for Mathematics (CCRSM) will take place using the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment system. The PARCC assessment system includes several types of computer-based assessments and a variety of teacher resources that may be delivered throughout the year to ensure that students have ample preparation to be successful.

**DoDEA College and Career Ready Education Programs**

It is broadly said around the nation that the goal of high school is to ensure all students graduate "college and career ready." What does "College and Career Ready" mean? Simply put, college and career ready programs are designed to ensure high school graduates have the content knowledge, skills, habits and dispositions in multiple subjects to be successful in their future endeavors, after highschool.

To be successful after high school, all graduates must possess a range of content knowledge, abilities and motivation to succeed that can only come from a rigorous, rich, and well-rounded Pre-Kindergarten through Grade 12 education. Nationwide, it has become expected that high school graduates need to continue their education in a postsecondary course of study, program or training series if they are to have options and opportunities in the current job market.

- College and Career Ready Standards establish clear, consistent and high learning goals and are more focused on preparing students for success in college and careers
- College and Career Ready Standards in the areas of mathematics and literacy set a foundation for even greater student success and growth.
• College and Career Ready Standards set grade-by-grade learning expectations for students in grades K-12.
• The continuity of College and Career Ready Standards presents an extraordinary opportunity for academic development as they are replicated in the majority of states and therefore beneficial to our highly mobile military-connected students.

RAMEY PTSO

The Parent Teacher Student Organization (PTSO) supports the learning of Ramey students by organizing school events and providing resources for academic programs. The PTSO is a vital member of the Ramey School community and is made of members just like you. The PTSO encourages all members of the Ramey Community to get involved and assist with its organization.

*EVENTS*
Casual Day on October 25th benefits the PTSO. Please ensure your students are within the dress code. See Casual Dress Code policy below.

A big thank you to the PTSO for their support of spirit week and hosting the Homecoming Dance. Students from grades PK-12 had a great week! It wouldn’t have happened without you.

*MEMBERSHIP*
Parents and Teachers become PTSO members or renew your memberships by filling out the 2019-2020 Membership form. The membership is only $10 for the entire year! The $ goes towards funding wonderful activities for students and their families, teacher support, scholarships, etc. Membership forms will be available in the school’s office in the PTSO Memberships bin. E-mail: ramey.ptso@gmail.com <mailto:ramey.ptso@gmail.com>

HEALTH TIPS FOR PARENTS FROM THE SCHOOL NURSES

IMPORTANT DEFINITIONS:

**Cold** - A Respiratory illness with a gradual onset - low-grade or no fever, a bit of a sore throat initially, nasal congestion and sneezing

**Influenza ("Flu")** - A Respiratory illness characterized by Fever (usually high), Chills, Headache, Tiredness, Dry Cough, Sore throat, Stuffy nose, and Body aches. Flu shots are highly recommended to prevent influenza. (Diarrhea and vomiting do NOT occur often, but may occur, along with the respiratory symptoms, in children. The illness that some call "stomach flu" Is most likely gastroenteritis.)

**Strep Throat** - Sore throat, decreased appetite, stomach ache including nausea/vomiting, fever, back of throat may look bright red and may have white patches. Some cases of strep may result in a skin rash that looks like "gooseflesh on sunburn". This is the rash of "scarlet fever". Occasional cases may include peeling of skin on fingers or toes.

**Gastroenteritis** - Diarrhea and vomiting, low-grade fever, headache and muscle aches. In young children rotavirus is the most common cause, although many other viruses can cause diarrhea and vomiting.

PREVENTIVE MEASURES:

- Teach children to cough or sneeze into their upper sleeve.
- Wash hands often with soap and water for at least 20 seconds each time they are washed.
- Stay home if you are sick.
- Stay away from people who are sick.
- Children with bacterial infections like strep should be on an antibiotic for at least 24 hours before returning to school.
- **ANY CHILD WHO IS SICK SHOULD BE FREE FROM FEVER FOR 24 HOURS** (without Tylenol, Motrin, etc.) **BEFORE RETURNING TO SCHOOL.**
- Seek medical attention if your child has: difficulty breathing, bluish skin color, not taking enough fluids, not waking up and interacting, severe irritability, fever with a rash, or appears to improve and then runs fever with a worse cough.

- Students are not allowed to bring prescription medicine to school. Prescription should be given to the school nurse with a note from the doctor.

Reading Counts:
What is Reading Counts (RC)?
- Scholastic Reading Counts is the computer-based reading program used at our school to promote reading test comprehension, it also tracks student progress.

What is Lexile Level?
- The Lexile Framework for Reading is a tool that places readers and text on the same scale. Student’s reading abilities will be evaluated and assigned a Lexile level anywhere from beginning reader (BR) to 1200.
- Books in our Media Center are marked with color coded dots that correspond to these levels so that students may read and test on books at their reading level. This technology enables educatorsto evaluate curriculum needs based on each student's ability to comprehend materials.

Is my book Reading Counts?
Use your search engine and go to Reading Counts Book Expert from Scholastic
Search by: Title, Author or Keyword.
You will be able to see if the book has a Reading Counts Quiz, Reading level, Interest Level, Points, etc..

If you need help or some training on any of our resources, please stop by and I will be here to help you.

ATTENDANCE:

Ramey School attendance line at (787) 890-4145/3135 or email joalis.diaz@am.dodea.edu by 0800 on the day your child will be absent from school. In addition, please encourage your child to get to school on time and to arrive at every class on time throughout the school day. Arriving to school on time is essential to the school running efficiently and being able to educate your students effectively. Students are to report to the school by 7:35 am and the school day will end at 2:30 pm.
A parent/guardian must bring and sign in the student into the school if they are late. If you do not accompany your child into school he/she will be considered unexcused tardy. Please don’t drop your students off before 0700 am.

Did you know? “Every Day Counts”
- An estimated 5 million to 7.5 million U.S. students miss nearly a month of school each year.
- Absenteeism and its ill effects start early. One in 10 kindergarten and first grade students are chronically absent. Read more. Poor attendance can influence whether children read proficiently by the end of third grade or be held back.

Early Dismissals: Parents picking up children during the school day must come to the office first. The child will then be called from their classroom. Parents will sign the child out in the student’s early dismissal folder in the office. No student will be allowed off the school premises without the parent or guardian. 100% ID Check is required to pick up students.

Work with your student to use their daily planner to record assignments. By checking the planner each night, you are able to keep informed of your student’s study habits.

Communicate with teachers when you have a concern early. If you need a conference with a teacher feel free to email your teacher or call (787)890-4145/3135.

Communicate with your guidance counselors by email or call (787)890-0717

GENERAL INFORMATION

CELLULAR PHONES
Cellular phones or any type of paging device will not be allowed to interrupt the educational process. They are to remain off while school is in session. If parents need to contact their child due to an emergency, they must call the school. Such devices will be confiscated if any disruption occurs. If confiscated, only the student’s parent or guardian may retrieve them from the principal. Please remind students about this policy.

Ramey Tardy to School Policy
School administration shall monitor daily attendance data to identify students who frequently arrive late to school. Appropriate interventions may be developed to improve on-time arrival to school, taking into consideration the student’s unique circumstances to include illness, extensive medical appointments or procedures, or family circumstances.

CHAIN OF CONCERN
Please help us resolve issues at the lowest possible level! Most issues can be resolved at the level they occur. Our staff is ready to listen and assist our parents and students in order to address concerns. Please utilize the following flow plan:
1. Talk with the teacher or other staff member where your concern was initiated
2. Talk with the Principal or Assistant Principal
3. Talk with the Community Superintendent
4. Talk with the Superintendent
5. Address the Board at a regular meeting

GRADESPEED FOR PARENTS AND STUDENTS
For 24 hour access to student grades and attendance the parent link for Gradespeed is http://dodea.gradespeed.net Parents must apply for an account. Click here for the Gradespeed brochure for parents. All Students will be assigned an account. Students can log in at https://dodea.gradespeed.net/pc/studentLogin.aspx.

AFTER SCHOOL POLICY

At the conclusion of each school day, all students must adhere to our school policy. This policy is outlined below.

2:30pm - The school day ends. At this time, all students are expected to exit the building in an orderly fashion. Buses and parent pick-ups will be in the designated areas only. Students must leave the school and school grounds immediately unless they have made prior arrangements with a teacher or they are serving a disciplinary consequence.

Students who remain on school ground must report to their supervised club, tutoring or sport no later than 3:00pm. Students found “wandering” or unsupervised will be escorted off school grounds and may be subject to a disciplinary consequence.

DRESS CODE ENFORCEMENT

Students are expected to arrive at school in proper school attire. If they do not, they may be sent back home or phone call to parents/sponsor requesting the immediate delivery of a uniform. Student is also subject to other administrative action.

JACKETS/SWEATERS

School issued jackets are available for purchase through the PTSO and vendor. A school issued jacket is not required. However, any jacket worn during the school day needs to be solid black, without any logos. Please remind students of this policy.

SPORT and ORGANIZATION SL SHIRT POLICY

- Fridays: Organizational and In-Season sport shirts only with Khaki bottoms
- Wednesdays: 8th and 12th Graders only- Class shirts with Khaki bottoms

Student Drop-Off and Pick-Up Area (Roller Dome)

The safety of our students is one of our greatest concerns.

Several people dropping off and picking up our students are not paying attention to basic safety, courtesy, and traffic laws. Watch your speed when entering, driving through, and especially exiting this area. There have been several close calls in the morning with some people entering and exiting this area to the street moving way too quickly.

PLEASE BE PATIENT AND SLOW DOWN—It's better to be late than to get into an accident. A good way to beat the last minute rush is to leave the house a little bit earlier. Even five minutes makes such a difference, especially in the morning.

We would like to thank you for your attention to these issues. The safety of our Children is everyone’s responsibility and only by working together can we ensure that our children travel to and from school as safely as possible.
