Ramey School 2019 Track & Field

Special congratulations to the Ramey School track and field team for their numerous record setting performances at the PRHSAA championship meet on Friday April 12th. Included in this performance were an amazing 48 medals awarded to Ramey runners, jumpers and throwers. Out of 26 competing schools, our varsity girls earned sub-championship honors for the regular season. Additionally, our varsity boys squad earned the sub-championship in both the regular season and the championship competition. Adding to Ramey's team accomplishments were the junior varsity boys team who placed first overall in both the regular season and in the championship meet. This feat included 3 school record breaking performances along with team captain Gianfranco Orama earning PRHSAA MVP honors among over 300 junior varsity boys competing in the Alliance. A special recognition to the following athletes who either earned first place honors and/or set new school records:

Jazira Gonzalez: 1st Place: 100 meter Hurdles (new school record)

Taina Cardona, Ariadna Rodriguez, Sarah Rodriguez & Jazira Gonzalez: 4 x 400 Relay (new school record)

Gianfranco Orama: 1st Place: Long Jump (new school record)

Coach Jose Morales

This young, wonderful and exciting group of young ladies had a very competitive season despite a 2-7 (W-L). After a simple glance of the box scores one can see that this team hung tough throughout most games only to lose during the final two innings or less. Coach Jose Morales attributes this to their relative inexperience. However, the future shines very bright for this young squad. Most of the girls will be back next season including first baseman Sierra Deater who led the team with 3 home runs (one grand slam) and pitcher Kayla Casellas who had a walkoff hit, during the team's final home game and struck out 8 players.
