This class has officers which consists of president, vice-president, secretary and treasurer and two class representatives.

High School Student Council

Ruthanne Bloyd **Tuesday Lunch** **Room 46**

Contact Ms. Bloyd for more information.

Junior Admirals

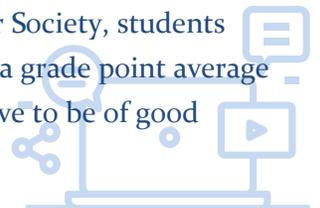

Lori Lockwood & Karen Owins **TBD Lunch/After School** **Temp. 4**

- Junior Admirals is a service oriented club for Middle School students to plan activities for Middle School students. It is similar to a Student Council, but there are no elections and it is voluntary participation. Students will have opportunities to develop leadership skills when they volunteer to plan events and head committees. We meet as needed at lunch usually and sometimes after school in Temp 4. Meetings are announced in advance.

National Honor Society

Christopher Tutty **Thursday Lunch** **Room 125**

- The National Honor Society (NHS) is an organization that recognizes outstanding achievements by high school students across the country. Students in the NHS are expected to display excellence in scholarship, leadership, service and character--characteristics that have been associated with the organizations since their inception in the 1920s. The National Honor Society was founded in 1921 by the National Association of Secondary School Principals (NASSP). It was the first nationwide honor society. Each chapter of NHS is governed by the national constitution of the organization, as well as by local bylaws of the chapter. In order to be a member of the National Honor Society, students must perform well across a variety of areas. All NHS members must maintain a grade point average of 3.5, perform acts of community service, demonstrate leadership ability, prove to be of good character and understand the concept of civic involvement.

National Junior Honor Society

Lilia Cruz-Anderson Thursday Lunch Room 37

The DGF National Junior Honor Society was established to recognize outstanding middle school level students. Membership recognizes students for their academic accomplishments, and encourages them to develop further with involvement in school activities and community service. The DGF NJHS chapter is guided by five main purposes: to create enthusiasm for scholarship; to stimulate a desire to render service; to promote leadership; to encourage responsible citizenship; and to develop character in the students of secondary schools. To be considered for the honor of membership for the David Glasgow Farragut chapter, applicants must reach the five standards which include leadership, citizenship, character, service, and scholarship. Members and applicants must maintain a grade point average of 3.5, or all A's and one B; and they are required to participate in community service through the school or in the community. Meetings are held every Thursday during lunch in Temp 5. Please contact Mrs. Anderson for details at lilia.cruz@eu.dodea.edu.

Math Counts

Nancy Rogers

Contact Mrs. Rogers for more information.

ACT/SAT Test Prep

Dale Warman Wednesday 3:20pm Room 82

Contact Mr. Warman for more information.

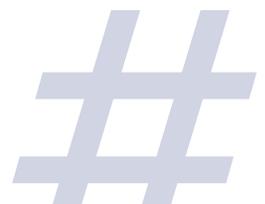

MS Book Club

Lori Lockwood 1st Semester- Every Tuesday, except 1st Tuesday of month 3:30pm Temp. 4
MS Book Club gives middle schoolers an environment to read and exchange various types of books. The purpose of Book Club is to foster the love of reading. The club will meet during first semester only in Temp 4 on Tuesday afternoons (except for the first Tuesday of the month).

MS STEM Club

Shannon Luna Wednesday 3:30pm-5:00pm Temp. 3

STEM club would be a five week program offered to sixteen students at a time exploring the engineering design process. If there is more than sixteen interested students, then the program would run in two sessions. Students will meet once a week to work collaboratively to create, design and build four different projects. During the fifth week students will make improvements to their projects. Parents will be asked to pay a \$5.00 materials fee in order to purchase the materials needed to build things like a hydraulic crane. Students will work in groups of 2 - 4 to build their projects. Completed projects will be sent home with students at the end of the program. STEM Club will be held in Temp 3 and will be offered in October - December on Wednesdays from 3:30 - 5:00. If two sessions will be needed then the second group will meet on Mondays from 3:30 - 5:00. The Monday group may also meet on occasional Tuesdays if their Monday meeting day falls on a holiday.

Maker Club (STEM)

Noel Ramos **Tuesday & Wednesday** **3:30pm-4:30pm** **Room 115**

For more information contact Mr. Ramos.

Robotics Club

Shannon Luna **Monday & Wednesday** **3:30pm-4:45pm** **Temp. 3**

The Robotics Club will be an introduction into programming and engineering of the FLL robots for some students. Students who were in the Robotics program previously would build on their skills to continue the learning process of coding and problem solving. This program would be offered to sixth through eighth grade students. Students will design, build, and program their robot to complete a list of tasks provided to us by First Lego League. After students see the field set and learn about the tasks, they work together as a team to design and modify their robot for each individual task. During this process students imagine, plan, create, improve, communicate and reflect on their choices. Students will need to fill out application to join the Robotics Club. There will be a maximum of 20 students in the club due to time and resource limitations. This club will be offered starting in early January. This coincides with the district competition. We will be meeting on Mondays and Wednesdays from 3:30 – 5:15 in Temp 3. As the competition gets closer more meeting days may be added to allow students to complete the robotics tasks.

International Club (World Languages)

Dr. Stephen Bond **Friday** **Lunch** **Room 110**

Contact Dr. Bond for more information.

Student 2 Student (S2S) High School

Christopher Tutty **As needed when new students register** **Guidance Office**

S2S members from grades 9-12 help support students who are transitioning to DGF. The focus is student-centered and is student led. Students act as sponsors to new students and ambassadors to DGF.

Junior Student 2 Student (JS2S) Middle School

Dr. Marcy Bond **As needed when new students register** **Guidance Office**

JS2S members from grades 6-8 help support students who are transitioning to DGF. The focus is student-centered and is student led. Students act as sponsors to new students and ambassadors to DGF.

NJROTC Drill/Color/Honor Guard

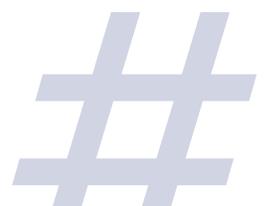

Senior Chief Billy James **Friday** **0730-0800** **Basketball Court or Gym**

We will practice Color Guard, Drill manoeuvres and marching.

NJROTC Guard Rifle

Kernel Claude Clark **Tuesday & Thursday** **3:30pm-5:00pm** **Room 77**

Students will learn the fundamentals of marksmanship and will have the opportunity to work towards qualifying for the European Championships.

Art Enrichment Club

Linda White Tuesday 3:30pm-4:30pm Room 41

Art Club is studio time held after school for arts enrichment open to middle and high school students. Planned projects and activities will be announced in the bulletin throughout the year. Advanced Placement arts students should utilize open studio hours. Art Club typically meets on Tuesdays afterschool (as announced in the bulletin). Art Club encourages inquiry and creativity, we plan and execute art installations, incorporate STEAM projects, support school programs by creating backdrops and decorations for drama, dances, and assemblies, and we fundraise for art study trips. This year's projects include a mural painting, the Wonkin' set design, and the February study trip will be to Bilbao to the Guggenheim in collaboration with world language programs. Meetings will run Tuesdays in Rm. 41 as announced in the bulletin.

Drama Production

Linda White February TBD TBD

LIVE FOR THE APPLAUSE! Drama this year will be open to HS and MS students who want to participate in a musical exploration of Willy Wonka titled, "Wonkin' ". Auditions were held in September, but our cast will evolve through the year, and there is always room for Oompahs! A hopeful culminating show will be performed in May 9th and 10th. Afterschool meeting times will commence in spring once actors/musicians have learned/memorized their parts. All aspects of theater production will be explored! Check the daily bulletin for news regarding meeting times afterschool. Regular meetings will begin in February afterschool on days decided by the involved parties.

GSA Club (Gay Straight Alliance Club)

Genevieve Chavez Friday Lunch Room 108

Our GSA club is a student-run club that will bring together LGBTQ+ and straight ally students to support each other, provide a safe place to socialize, and create a platform to fight for racial, gender, LGBTQ, and social justice.

MS Craft Club

Lori Lockwood 2nd Semester- Every Tuesday, except 1st Tuesday of month 3:30pm Temp. 4

MS Craft Club gives middle school students an opportunity to learn arts and crafts. Students will make crafts with recycled and new materials and will learn skills such as sewing, printmaking, and origami. The club will meet during second semester only in Temp 4 on Tuesday afternoons (except for the first Tuesday of the month).
