Dear Students,

West Point Elementary School (WPES) embraces and is committed to DoDEA's standards, curriculum, and best educational practices to maximize student learning and guide teacher effectiveness. We utilize differentiated instructional strategies to provide all students with the support needed to acquire the knowledge and skills to succeed in college, careers, and life in the 21st Century.

Our commitment to common, clear, and consistent communication is an essential means for informing our stakeholders and sharing school-wide information. WPES utilizes a variety of communication tools to include teacher newsletters, school newsletters, an AdHoc notification system, base media outlets, emails, telecommunications, and the WPES website to ensure stakeholders are informed. Your child's classroom teacher is always your first point of contact, however all WPES staff are advocates for your child's success and value open communication as it strengthens our school-home relationship.

As partners in education, we actively seek your support in achieving school goals and objectives as you are an important and necessary stakeholder at WPES. Research demonstrates that students who have the greatest school success have parents that are actively involved in their child's education. Thus, we invite all parents/ guardians to volunteer in the classroom and help children with task commitment, new skills, and projects. We also welcome and encourage your participation in school-wide activities and serve as a member of our School Home Partnership Committee, Parent Teacher Organization (PTO), or our Continuous School Improvement (CSI) committees.

At WPES the continuous school improvement process is evolutionary as we know that growth points are expected. Yet, your ongoing feedback and collective efforts will help to ensure great success at WPES as we look forward to your supportive collaboration every step of the way!

In Partnership,

Denise DeMarco

General Information

Interstate Compact on Educational Opportunity for Military Children

Policy Reference: [DoD Instruction 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017](#)

The Department of Defense (DoD), in collaboration with the National Center for Interstate Compacts and the Council of State Governments, has developed an interstate compact that addresses the educational transition issues of children of military families. Currently, all 50 states and the District of Columbia participate in this interstate compact, which provides a uniform policy platform for resolving the challenges experienced by military children.

It is estimated that the average military family moves three times more often than the average non-military family. These frequent moves can cause children to miss out on extracurricular activities and face challenges in meeting graduation requirements. In accordance with Enclosure 4 of DoD Instruction 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017, the Compact will ensure that the children of military families are afforded the same opportunities for educational success as other children and are not penalized or delayed in achieving their educational goals by inflexible administrative and bureaucratic practices. States participating in the Compact work to coordinate graduation requirements, transfer of records, course placement, and other administrative policies.

Access to School Facilities

Policy Reference: [DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012](#)

If the principal permits a school to operate a limited open forum by maintaining a practice of allowing any single non-curriculum related student group access to school facilities, the principal shall ensure that all non-curriculum related student groups (including activities of religious nature) are permitted equal access to meet on school premises and use school facilities during

non-instructional time. Access to groups may be denied if the principal determines that a student or student group has or is likely to substantially interfere with good order or discipline or violate any federal, state, or local law, or DOD or DoDEA regulation or policy.

Visitors and Volunteers

For safety reasons, all visitors and volunteers must report to the school front office immediately upon entering the school. A visitor/volunteer is someone who is not a school employee or student and enters the school during operating hours. When entering into the building all visitors/volunteers must present a government issued ID card to front office personnel. The school administration has the final determination on visitors/volunteers authorized to be at the school. When visiting, volunteers/visitors may go only to the approved area indicated as their destination when signing in at the front office. All visitors will receive an appropriate visitor's badge, which is to be displayed conspicuously at all times while on school grounds. Any change to the designated location must be approved by the school's front office before visiting a different location within the school. Upon finishing their visit, visitors must check out at the front office, return the visitor's badge, and exit the school. Parents are welcome to visit the school and classrooms to observe the school's programs for brief periods of time that do not interfere with instruction.

School Advisory Committees (DoDEA-Europe & DoDEA-Pacific) and School Boards (DoDEA-Americas)

Policy Reference: [DoD Instruction 1342.15, "Educational Advisory Committees and Councils," December 7, 2012](#)

Policy Reference: [DoD Instruction 1342.25, "School Boards for Department of Defense Domestic Dependent Elementary and Secondary Schools \(DDESS\)," October 30, 1996](#)

DoDEA school administrators, in partnership with sponsors/family members, students and military leaders, promote communication through the establishment of advisory committees to address issues (school initiatives, procedures and policies) at the local level. This is one way for parents to get involved in their child's education. Consult your child's school to learn more about school advisory committees (DoDEA-Europe and DoDEA-Pacific) or school boards (DoDEA-Americas).

Enrollment

Student Registration Process

Policy Reference: [DoDEA Regulation 1342.13, "Eligibility Requirements for Education of Elementary and Secondary School-Age Dependents in Overseas Areas," September 20, 2006, as amended](#)

Policy Reference: [DoD Instruction 1342.26, “Eligibility Requirements for Minor Dependents to Attend Department of Defense Domestic Dependent Elementary and Secondary Schools \(DDESS\),” March 4, 1997](#)

Proof of Eligibility: The sponsor does not need to be present at registration, as long as the parent or other adult registering the child has all the necessary paperwork in accordance with DoDEA Regulation 1342.13, “Eligibility Requirements for Education of Elementary and Secondary School-Age Dependents in Overseas Areas,” September 20, 2006, as amended, and DoD Instruction 1342.26, “Eligibility Requirements for Minor Dependents to Attend Department of Defense Domestic Dependent Elementary and Secondary Schools (DDESS),” March 4, 1997.

The following documents are necessary to complete the registration process:

- Proof of age
- Medical records, including information on medical conditions, medications, and all dates and types of immunizations
- Official documents to support eligibility (e.g., letter of employment, contract, PCS orders, etc.)
- Students enrolling in DoD domestic schools will also be asked to show proof of on-base residence

Contact the registrar at your child’s school for more information on enrollment or to update your child’s information.

Student Immunization Requirements

Policy Reference: [DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016](#)

Policy Reference: [Army Regulation 40-562, BUMEDINST 6230.15B, AFI 48-110_IP, CG COMDTINST M6230.4G, “Immunizations and Chemoprophylaxis for the Prevention of Infectious Diseases”, 7 October 2013](#)

Students who enroll in DoDEA schools are required to meet specific immunization requirements (DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016). These requirements represent the minimum and do not necessarily reflect the optimal immunization status for a student. Acceptable forms of official proof of immunization status may include, but are not limited to:

- Yellow international immunization records;
- State agency-generated immunization certificates;

- School-generated immunization certificates; and
- Physician, clinic, or hospital-generated immunization records.

It is the responsibility of the sponsor/parent/guardian to provide their child's most current immunization record at the time of enrollment and when immunizations are updated. Parents of incoming students are allowed up to 30 days from the date of enrollment to obtain documentation of any missing required immunization(s). If the missing required immunization is a series, then the first dose of the series must be administered, and documentation must be provided to the school within the 30 days. Students who have immunization(s) due during the school year will have 10 calendar days from the due date to receive their vaccine(s) and to submit documentation to the school. The due date of a vaccine is on the date the student reaches the minimum recommended age for vaccine administration.

STUDENTS IN NON-COMPLIANCE AFTER 10 DAYS MAY BE DISENROLLED, UNTIL PROOF OF COMPLIANCE OR APPROVED EXEMPTION IS PROVIDED.

Immunization Exemptions

Policy Reference: [Army Regulation 40-562](#), [BUMEDINST 6230.15B](#), [AFI 48-110_IP](#), [CG COMDTINST M6230.4G](#), "Immunizations and Chemoprophylaxis for the Prevention of Infectious Diseases", 7 October 2013.

A waiver for immunization exemption may be granted for medical or religious reasons. Philosophical exemptions are not permitted. The DoD Component must provide guidance on the waiver process.

A statement from the child's health care provider is required if an immunization cannot be administered because of a chronic medical condition wherein the vaccine is permanently contraindicated or because of natural immunity. The statement must document the reason why the child is exempt. This request for immunization exemption from specific vaccines due to vaccine contraindications or natural immunity must be completed and submitted to the school at the beginning of the child's enrollment or when a vaccine is due. Request for exemption only needs to be completed one time for the duration of the child's enrollment at the school.

If an immunization is not administered because of a parent's religious beliefs, the parent must submit an exemption request in writing, stating that he or she objects to the vaccination based upon religious beliefs. The request must be completed and submitted to the school at the beginning of every school year. For students arriving after the school year has started, this request/written statement must be submitted at the initial enrollment and at the beginning of every school year.

During a documented outbreak of a vaccine-preventable disease (as determined by local DoD medical authorities), the child who is attending a DoDEA school program under an immunization waiver for that vaccine will be excluded from attending. This is for his or her protection and the safety of the other children and staff. The exclusion will remain in place until

such time that the DoD Command determines that the outbreak is over and that it is safe for the child to return to school.

Student Grade-Level Placement

Policy Reference: [DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010](#)

Policy Reference: [DoDI 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017](#)

Pre-K, Kindergarten and grade 1 placements are determined by minimum age requirements, in accordance with Enclosure 2 of DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010. An otherwise DoDEA-eligible student who will reach his or her fifth birthday on or before September 1 of the school year is eligible to be enrolled in kindergarten. In addition, an otherwise DoDEA-eligible student who will reach his or her sixth birthday on or before September 1 of the school year is eligible to enroll in grade 1. Placement in grades 2–8 is predicated upon completion of the preceding year. Students entering a DoDEA school (through grade 8) from a non-American or host nation school will be placed in the grade level corresponding to their ages, assuming yearly progression from grades 1–8.

Grade-level status (grades 9, 10, 11, and 12) will be determined by the number of course credit units earned by the student, in accordance with Section 2 of DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010. Students entering grade 9 must have successfully completed grade 8 and/or been previously enrolled in grade 9 and earned less than 6 credits. Students entering grade 10 must have successfully completed grade 9 and earned a minimum of 6 course credits. Students entering grade 11 must have successfully completed grade 10 and earned a minimum of 12 course credits. Students entering grade 12 must have successfully completed grade 11 and earned a minimum of 19 course credits.

In accordance with DoDI 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2019, for students transitioning from a sending state LEA to a DoDEA school, at the time of transition and regardless of the age of the student, the DoDEA school shall enroll the transitioning student in the same grade level as the student’s grade level (i.e. in kindergarten through grade 12) in the sending state’s LEA. For kindergarten, the student must have been enrolled and attended kindergarten class in order to assure continued attendance in kindergarten in DoDEA. Students who have satisfactorily completed the prerequisite grade level

in the sending state's LEA will be eligible for enrollment in the next higher grade level in the DoDEA school, regardless of the student's age.

All DoDEA students, including students with disabilities, English language learners (ELLs), and students with accommodation plans, should be afforded the opportunity to participate in the standard DoDEA secondary curriculum, as appropriate, based upon their individual circumstances.

Transcripts/Records Policy/Access to Student Records

Student records and transcripts may be requested from several different sources, depending upon the student's last date of attendance or graduation date. Please visit the DoDEA Student Records Center located at <https://www.dodea.edu/students/transcripts.cfm> for further instruction based on your situation or discuss with the counseling department at your child's school.

English for Speakers of Other Languages (ESOL)/Language Services

Policy Reference: [DoDEA Regulation 2440.1, "English as a Second Language Programs," March 16, 2007](#)

An English Language Learner (ELL) is a student identified as one who is in the process of acquiring English as an additional language. In accordance with the policy stated in the DoDEA Regulation 2440.1, "English as a Second Language Programs," March 16, 2007, DoDEA's ESOL Program is an English language acquisition program focused on teaching language and content that is designed to teach ELLs social and academic skills, including cultural aspects, in order for the ELLs to succeed in an academic environment. The ESOL Program involves teaching listening, speaking, reading, writing, study skills, subject area content, and cultural orientation at appropriate developmental and English language proficiency levels, with little or no use of the native language. ESOL instruction is conducted in English and can be provided in a variety of settings and program configurations. The amount of instruction given will be differentiated according to the student's age, grade level, academic needs and English language proficiency. ELLs may receive instruction both through the ESOL Program and in the main classroom setting.

Accelerated Withdrawal

Policy Reference: [DoDEA Administrative Instruction 2000.1, "High School Graduation Requirements and Policy," September 5, 2014](#)

The principal may authorize an accelerated withdrawal of a student who must withdraw from school 20 or less instructional days prior to the end of a semester in accordance with Enclosure 3,

Section 9, of DoDEA Administrative Instruction 2000.1, “High School Graduation Requirements and Policy,” September 5, 2014. Accelerated withdrawal will only be considered if the parent/sponsor presents permanent change of station (PCS) orders. The parent or sponsor must present verification of the date required for the student to depart from the school (e.g., PCS orders). All of the conditions of an accelerated study program outlined by the student’s teachers must be met prior to withdrawal in order for grades to be assigned and credit to be granted. Students who withdraw prior to the 20-day limitation of the accelerated withdrawal policy will receive “withdrawal” grades rather than final grades.

Home-school Students

Policy Reference: [DoDEA Administrative Instruction 1375.01, “Home-School Students,” October 15, 2018](#)

DoDEA recognizes that home schooling is a sponsor’s right and may be a legitimate alternative form of education for the sponsor’s dependent(s). Home-school students who are eligible to enroll in a DoDEA-Europe, DoDEA-Pacific, and DoDEA-Americas school are eligible to utilize DoDEA auxiliary services without being required to either enroll in or register for a minimum number of courses offered by the school. Eligible DoD home-school students using or receiving auxiliary services must meet the same eligibility and standards of conduct requirements applicable to students enrolled in the DoDEA school who use or receive the same auxiliary services.

Report Card and Grading Information

Grading and Grading System

Policy Reference: [DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018](#)

At the beginning of each course or grade level, every DoDEA teacher shall make available information regarding grading policy and course requirements to parents and students. This information will be provided to parents and students by the end of the first month of the school year or by the end of the first month of the semester in the case of a semester course.

If any student demonstrates unsatisfactory progress or achievement, teachers must notify parents with enough time to correct the deficiency. Notification must occur as soon as unsatisfactory achievement is evident, and not later than the midpoint of the nine-week grading period.

Timely and accurate reporting of student progress shall be accomplished for students in grades 4–12, using the approved DoDEA Electronic Gradebook (EGB) System. All assignments (e.g., quizzes, tests, examinations, homework, speeches, etc.) that are used to assess and report student

progress shall be promptly evaluated and/or graded, posted in the EGB, and returned to the student. The normal period of evaluation and posting should be no longer than ten calendar days from the day the assignment is collected, with reasonable exceptions for large projects. At a minimum, one assignment or grade should be recorded per week in the EGB System. To create an account and access the EGB System, please visit the [DoDEA Web site \(https://dodea.gradespeed.net/gs/Default.aspx\)](https://dodea.gradespeed.net/gs/Default.aspx) for instructions.

A traditional letter grading system will be used for grades 4–12 report marks.

Grade	Numerical Range	Description
A	90 – 100	Excellent: Outstanding level of performance
B	80 – 89	Good: High level of performance
C	70 – 79	Average: Acceptable level of performance
D	60 – 69	Poor: Minimal level of performance
F (failing)	0 – 59	Failing (No credit awarded)

For purposes of calculating a student’s high school GPA, the following scales shall be used:

Unweighted Standard Scale	Weighted Advanced Placement (with AP exam)
4.0	5.0
3.0	4.0
2.0	3.0
1.0	2.0
0	0

For grades K–3, achievement codes rather than letter grades will be used.

Location	Code	Description
Americas Region	E	Exceeds grade-level expectations: Student exhibits the skills/behaviors independently without teacher support. Students at this level are exceeding the grade-level standards.
	M	Meets grade-level expectations: Student exhibits the skills/behaviors independently with minimal teacher support.
	S	Steady progress towards grade-level expectations: Student exhibits the

		skills/behaviors with teacher guidance and support.
	L	Limited progress towards grade-level expectations: Student exhibits the skills/behaviors in isolated or rare instances, or with a great deal of support. The performance is inconsistent and below the normal range of expectancy for a student at this grade level.

Progress Reports/Report Cards

Policy Reference: [DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018](#)

In accordance with the policies and procedures in DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018, it is DoDEA policy to issue a progress report every 9 weeks for any student present or enrolled for at least 20 instructional days or more in a marking period. Any written comments by teachers on progress reports should be stated objectively. The comments should be based on evidence about the student and should not represent opinions that cannot be supported by evidence.

Achievement codes will be given at the end of the second, third, and fourth marking period for students in grades K-1. Grades will be given at the end of each of the four marking periods for students in grades 2-12. Achievement codes or grades on report cards will be determined by the degree to which students are achieving established program objectives or standards. For students in grades K-12, unsatisfactory achievement of program objectives or standards will be reported to parents during each marking period as soon as evident, but no later than the midpoint of the nine-week grading period to allow sufficient time for a student to correct the problem.

Parent-Teacher Conferences

All DoDEA schools should encourage parents to meet with their child’s teacher for parent-teacher conferences. Parent-teacher conferences allow parents the opportunity to ask questions about their child’s classes or progress in school. Parent-teacher conferences are also a great way to discuss how parents and teachers can work together to help students perform at their best in school. If you are going to a meeting that was scheduled by the teacher or school, ask beforehand how much time you will have. If you will need more time or want to meet with the teacher again, let the teacher know at the end of the meeting. Please consult your child’s school for details regarding scheduling. DoDEA encourages all communication to take place through official school email accounts.

Attendance

Student Attendance

Policy Reference: [DoDEA Regulation 2095.01, “School Attendance,” August 26, 2011, as amended](#)

In accordance with the policy stated in DoDEA Regulation 2095.01, “School Attendance,” August 26, 2011, as amended, school attendance is mandatory. All students are required to attend school for 180 instructional days per school year to ensure continuity of instruction and that they successfully meet academic standards and demonstrate continuous educational progress. School attendance is a joint responsibility between the parent or sponsor, student, classroom teacher, school personnel and, in some cases, the Command. Students with excessive school absences (or tardiness) shall be monitored by the Student Support Team to assist in the completion of all required work and successful mastery of course objectives.

Daily student attendance is identified based upon a quarter of the school day formula. Students will be identified as present or absent, based on the following criteria:

1. Absent up to 25% of the school day = absent one-quarter of the school day
2. Absent between 26%–50% of the school day = absent one-half of the school day
3. Absent 51%–75% of the school day = absent three-quarters of the school day
4. Absent 76%–100% of the school day = absent full day

DoDEA considers the following conditions to constitute reasonable cause for absence from school for reasons other than school-related activities:

1. Personal illness
2. Medical, dental, or mental health appointment
3. Serious illness in the student’s immediate family
4. A death in the student’s immediate family or of a relative
5. Religious holiday
6. Emergency conditions such as fire, flood, or storm
7. Unique family circumstances warranting absence and coordinated with school administration
8. College visits that cannot be scheduled on non-school days
9. Pandemic event

Unexcused absences may result in school disciplinary actions. An absence from school or a class without written verification from a parent or sponsor will be unexcused. Student attendance is calculated based upon the date of enrollment in a DoDEA school, which may occur anytime during the school year. Student attendance monitoring is designed to provide a continuum of intervention and services to support families and children in keeping children in school and combating truancy and educational neglect. Parents should notify the school of their child’s absence by at least 30 minutes after the start of the school day for which the student is absent. Too many unexcused absences may trigger the Student Support Team to convene.

Assessments

System-wide Assessment Program

Policy Reference: [DoDEA Regulation 1301.01, “Comprehensive Assessment System,” October 4, 2018](#)

All DoDEA students in grades or programs identified for system-wide assessments shall be included in the DoDEA Comprehensive Assessment System in accordance with DoDEA Regulation 1301.01, “Comprehensive Assessment System,” October 4, 2018. Students who have been identified as having disabilities or are ELLs shall participate using either the standard DoDEA assessments, with or without reasonable and appropriate accommodations, or through the use of the appropriate DoDEA alternate assessment, as per their Individual Education Plan (IEP), 504 Accommodation Plan, or English Learner Plan.

All assessments selected for use within DoDEA shall:

1. Align to clearly defined standards and objectives within the content domain being tested,
2. Valid and reliable and controlled for bias, and
3. Be one of several criteria used for making major decisions about student performance/achievement.

The results of each assessment shall be used as one component of the DoDEA Assessment System for major decisions concerning the student’s future learning activities within the classroom setting.

Special Education

Special Education Services

Policy Reference: [Department of Defense Instruction 1342.12, “Provision of Early Intervention and Special Education Services to Eligible DoD Dependents,” June 17, 2015](#)

Policy Reference: [Department of Defense Manual 1342.12, “Implementation of Early Intervention and Special Education Services to Eligible DoD Dependents,” June 17, 2015](#)

Special education is specially designed instruction, support, and services provided to students with an identified disability requiring an individually designed instructional program to meet their unique learning needs. The purpose of special education is to enable students to successfully develop to their fullest potential by providing a free appropriate public education in compliance with the Individuals with Disabilities Education Act (IDEA) as implemented by DoD

Manual 1342.12, "Implementation of Early Intervention and Special Education Services to Eligible DoD Dependents" (DoDM 1342.12).

In DoDEA, special education and related services are available to eligible students, ages 3 through 21 years of age. To be eligible for special education:

- The child must have an identified disability;
- The disability must adversely (negatively) affect the child's educational performance; and
- The child must require a specially designed instructional program.

If found eligible for special education and related services, DoDEA students are provided a free and appropriate public education (FAPE) in accordance with an individualized educational program (IEP), with services delivered in the least restrictive environment and with procedural safeguards in accordance with the requirements of DoDM 1342.12.

Please contact your child's school to discuss your concerns if you suspect your child may have a disability and be in need of special education services. The Case Study Committee (CSC) chairperson will provide you with specific details relating to the evaluation process and can explain eligibility requirements further.

Disability Accommodations and Nondiscrimination

Policy Reference: [DoDEA Administrative Instruction 2500.14, "Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities," April 29, 2009, as amended](#)

Policy Reference: [DoDEA Administrative Instruction 1443.01, Volume 1, Executive Order 13160 Administration: Compliance Requirements and Appeals, February 22, 2019](#)

Apart from special education, a student with a disability, or who has a record of a disability, or is regarded as having a disability, shall not be excluded from participating in, or be denied the benefits of, any DoDEA education program or activity or be subjected to discrimination based solely on a disability. In accordance DoDEA Administrative Instruction 2500.14, "Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities," April 29, 2009, as amended, students with disabilities shall be provided a free and appropriate education and shall participate with students without disabilities to the maximum extent appropriate to ensure equal access to educational opportunities. This means that a student with a disability that does not require specialized instruction may be eligible for accommodations to ensure participation in school programs and activities. Please contact your child's school for specific details.

Reporting Abuse, Neglect, Suicide Risk and Threats

Child Abuse and Neglect

Policy Reference: [DoDEA Administrative Instruction 1356.01, “Family Advocacy Program Process for Reporting Incidents of Suspected Child Abuse and Neglect,” November 5, 2018](#)

In accordance with the policy in DoDEA Administrative Instruction 1356.01, “Family Advocacy Program Process for Reporting Incidents of Suspected Child Abuse and Neglect,” November 5, 2018, all DoDEA personnel will participate in the identification and reporting of incidents of child abuse and neglect. School personnel shall report all suspected or alleged child abuse to the local FAP office, child welfare service agency (if available), and their immediate supervisor within 24 hours. All employees shall cooperate with the FAP process. The DoD FAP provides for the identification, treatment, and prevention of child abuse and neglect.

Suicide Risk and Threats Towards Others

In order to prevent violence, suicide, and other harmful acts among children and adults in schools, the need for reliable ways to identify persons who may require assistance is a critical step. All DoDEA employees must notify the DoDEA school administrator when a DoDEA student has made any statement or engaged in actions that may indicate threat of harm towards self or others.

Suicide Risk

Any indication of student suicidality must be immediately reported to the DoDEA school administrator. The DoDEA student who exhibits suicidal ideation or behavior, or who makes a statement or engages in actions that may indicate self-harm or suicidal thoughts, shall be immediately assessed to obtain specific information to determine the risk level. The results of that assessment are communicated to the DoDEA school administrator and documented. Regardless of the level of risk reported, in all cases, a DoDEA administrator or designated member of the Case Management Team must directly notify parents or legal guardians of the concern. For any additional assistance in this process, please contact the District school psychologist ISS.

If a parent or legal guardian disagrees with school recommendations for evaluation of a student’s dangerousness to self, or refuses to take parental or legal guardian responsibility for the safety of their child, the DoDEA School Administrator must inform the parent or legal guardian that DoDEA policy requires that school personnel protect the safety and health of the students. Parent or legal guardian refusal to address identified medical needs may necessitate a report to the local Family Advocacy Clinic and local Child Protective Services if neglect is suspected as outlined in DoDEA Administrative Instruction 1356.01, which is available at <https://www.dodea.edu/Offices/PolicyAndLegislation/Administrative-Instructions.cfm>.

Threats Towards Others

When a DoDEA student makes an explicit or implicit threat, or if the student's behavior indicates that a threat is serious and reasonably likely to be acted upon, the DoDEA school administrator shall take action based on the level of the threat. Certain types of serious threats require immediate notification to local law enforcement entities without regard to the level of threat yielded. The DoDEA school administrator shall immediately report the following to the local law enforcement entity:

School Counseling Services

Policy Reference: [DoDEA Manual 2946.2, "Department of Defense Education Activity School Counseling Services," January 1, 2006](#)

DoDEA school counselors provide comprehensive counseling programs to all students in grades K–12 in accordance with DoDEA Regulation 2946.1, "School Counseling Services," July 13, 2009, and DoDEA Manual 2946.2, "Department of Defense Education Activity School Counseling Services," January 1, 2006. Counseling programs are designed to foster a foundation for lifelong learning by removing barriers to students' academic success. Early identification and intervention of students' academic and social/emotional needs is essential in removing barriers to learning and promoting academic growth. School counselors provide direct and indirect student services and curricular activities to increase the knowledge, skills, and attitudes required for students to achieve their potential academically, socially, emotionally and physically for life, college and career readiness.

Elementary school counseling programs are crucial in supporting students attitudes and personal views toward schools, self, peers, and social groups. In elementary grades, the school counseling

programs support and provide education on prevention and intervention services, promoting positive academic skills, career awareness, and social-emotional development — skills students need to be competent and confident learners. Secondary school counseling programs are designed to meet the rapidly changing needs of students in grades 6–12, while preparing them for high school and beyond. College and career exploration and planning are emphasized at the secondary level. As middle school students learn to manage more independence and responsibilities, school counseling programs are designed to connect learning to practical application in life and work, support personal/ social skills, and foster effective learning/study skills. High school counseling programs are designed to foster student preparation and readiness for successful college and career pathways after high school. All secondary students create and manage a four- to six-year plan with their counselor. The four- to six-year plan is managed in Choices360 and is designed to teach students how to create and attain their graduation, college, and career goals while taking into account their interests, aptitudes, and graduation requirements.

Please contact your school counselor for additional information regarding the school counseling program.

School Health Services

Policy Reference: [DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016](#)

DoDEA School Health Services aim to optimize learning by fostering student wellness. The school nurse serves as the health service expert, providing health care to students/staff and implementing interventions that addresses both actual and potential health and safety conditions. The school nurse collaborates with the school administrator to promote the health and academic success of students and serves as the liaison between, the school, community, and health care systems. This collaborative effort creates opportunities to build capacity for self-care, resilience, and learning.

The school nurse's responsibilities include:

- Providing leadership in promoting personal and environmental health and safety by managing communicable diseases, monitoring immunizations, providing consultation and health-related education to students and staff to promote school health and academic success;
- Providing quality health care and intervening with actual and potential health problems through health screenings, health assessments and nursing interventions, and the development of healthcare and emergency care plans to enable students to safely and fully participate in school;
- Providing case management services to direct care for students with chronic health conditions, to ensure their safety, and to increase their access to the educational program; and
- Collaborating with school and community-based resources to reduce health-related barriers to student learning, improve access to healthcare, and develop school-community partnerships to support academic achievement and student success.

Student Illness

Do not send your child to school if he or she is ill. Staying home to get the proper rest, nutrition, and parental care is for your child's benefit as well as for the benefit of the other children in the school who may be unnecessarily exposed to a contagious illness. The following are examples of when a student should remain home:

- A temperature greater than or equal to 100 degrees Fahrenheit. The student must be fever-free without the use of fever-reducing medication for 24 hours (a complete school day) before returning to school.
- Actively vomiting or has diarrhea.
- An illness which presents with contagious symptoms.
- Other symptoms interfering with learning or participation such as abdominal pain; ear ache; itchy, painful eyes; light-sensitivity; or profuse exudate from the eyes necessitating frequent wiping.
- Severe uncontrolled coughing or wheezing, rapid or difficult breathing, coughing lasting longer than five to seven days.
- Episodes of vomiting in the past 24 hours. A student must remain home until vomiting resolves (no further vomiting for 24 hours).

- Frequent loose or watery stools compared to the student's normal pattern; not caused by diet or medication. A student must remain home if a) he/she looks or acts ill; b) he/she has diarrhea with temperature elevation of 100°F or greater; and c) he/she has diarrhea and vomiting.
- Blister-like lesions (impetigo, including streptococci, staphylococcus, and methicillin-resistant staphylococcus aureus infections) that develop into pustules with weeping and crusting. A student must be medically evaluated, remain home for at least 24 hours after initiation of medical treatment, and remain home until determined not infectious by a medical provider. Lesions must be covered for school attendance.
- Ringworm lesions must be covered for school attendance.
- Thick discharge from eye, necessitating frequent wiping and may be accompanied by pain, redness to the white part of the eye, and light sensitivity. Student must remain at home until symptoms clear or completion of 24 hours of medical provider-prescribed ophthalmic treatment.
- Measles, mumps, rubella, (German measles), chicken pox, pertussis (whooping cough), and influenza. A student must remain home until determined not infectious by medical care provider.

If your child becomes ill during the school day, the school nurse will contact you to pick up your child. To return to school, your child must be without symptoms for 24 hours and fever-free without fever-reducing medications for at least 24 hours.

Parent Notification

As a general rule, the parent or sponsor will be notified by the school administrator or school nurse if your child has:

- Any illness or injury that causes concern or inability to participate in school activities
- Eye, ear, or teeth injuries
- Head injury
- Second- or third-degree burns
- Severe pain
- Sprains or possible fractures
- Temperature higher than 100°
- Vomiting or diarrhea
- Wounds that may require stitches

Allergies and Chronic-Acute Conditions

Policy Reference: [DoDEA Regulation 2720.1, "First Aid and Emergency Care," September 8, 2003](#)

Policy Reference: [DoDEA Administrative Instruction 2500.14, “Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities,” April 29, 2009, as amended](#)

Please inform the school nurse of any medical condition and health concerns your child may have to better serve and protect your child’s welfare in accordance with DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003.

Food allergies including peanut/nut allergies are a significant health concern within the school environment. Allergic reactions can range from mild symptoms to life threatening reactions. Ensuring a safe environment for all students and visitors is a primary focus for the administration and staff. In an attempt to raise awareness and limit an unnecessary exposure during school hours, we are implementing the following steps to address food allergies. These include:

- Notifying the school nurse of ANY allergy to food, drug, insects, etc., that your child may have;
- Providing the school nurse with medication/doctor’s orders/emergency care plan/parent permission form;
- Teaching children at home about their food allergies and the importance of not sharing any food with others in school or elsewhere; and
- Notifying the classroom teacher about your child’s allergens and checking with the classroom teacher prior to bringing in any food for classroom celebrations.

Medication at School

When medications must be administered during the school day, the medication must be delivered to the school nurse in the original container, properly labeled by the pharmacy or primary care manager/provider, stating the name of the student, the medication, dosage, route, time of administration, and current date of issue. Contact the school nurse for the required Medication Consent Form. This form must be filled out and signed by the prescribing medical provider and signed by the sponsor/parent/guardian. The sponsor/parent/guardian needs to bring the signed form and the medication to the school nurse. If the school nurse is not present, the signed form and medication must be presented to the school principal, acting principal, or health aide for safekeeping. It is acceptable for parents to bring in self-purchased over-the-counter medication to be kept in the health office for their child’s use at school, but they must be accompanied by a physician’s prescription and signed parental consent form.

In some rare situations, students are allowed to keep their rescue or emergency medicine with them while in school or at school-related activities. The student’s prescribing primary care manager must provide a written statement that the student must be in control of his or her medication due to a life-threatening medical condition. The parent must provide written consent for the medication to stay with the student. See the school nurse to obtain appropriate form for medications to be administered during school hours or for a student to self-carry emergency medication.

Students may not share medications (including non-prescription medications) at school or at school-sponsored events.

First Aid and Emergency Care

Policy Reference: [DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003](#)

School personnel will administer first aid as efficiently as possible to the dependent student when needed to treat minor injury or illness in accordance with the DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003. In accordance with Section 6 of DoDEA Regulation 2720.1, should a student sustain a more serious illness or injury, the school nurse will make a judgment call based on nursing assessment to determine if the student needs emergency medical care requiring a response by an emergency medical team (EMT) and possible transportation for treatment at a health care facility. If a student needs emergency medical care requiring an ambulance, the school will make reasonable efforts to contact the sponsor/parent/guardian or emergency contact. In the absence of a parent, a school administrator or designee may accompany the student to the medical treatment facility.

The EMT, health care facility, or attending health care provider(s) may be non-U.S. or non-military facilities or providers, especially if the dependent student is located overseas. Treatment decisions will be made exclusively by the health care provider(s) if the nature of the dependent student’s injury or illness requires immediate health care, in accordance with their standard operating procedures regarding the delivery of emergency care for the dependent student.

It is very important for the school to have a current address, home phone number, mobile phone numbers, duty phone number, and the phone number of another adult to act as emergency contact in case parents cannot be contacted.

Contact your school nurse for additional information regarding the DoDEA School Health Services Program.

Student Rights and Responsibilities

Discrimination-Free Education Programs and Activities

Policy Reference: [DoDEA Administrative Instruction 1443.01, Volume 1, “Executive Order 13160 Administration: Compliance Requirements and Appeals,” February 22, 2019](#)

No DoDEA student shall be excluded from participation in, be denied the benefits of, be subjected to or be permitted to subject others to, discrimination in any DoDEA-conducted education and training programs and activities on the basis of their race, sex, color, national

origin, disability, religion, age, sexual orientation, or status as a parent, commonly known as their protected class, in accordance with DoDEA Administrative Instruction 1443.01, Volume 1, “Executive Order 13160 Administration: Compliance Requirements and Appeals,” February 22, 2019.

Although DoDEA cannot guarantee every student a learning and activities environment free from annoyances, petty slights, or minor offenses, DoDEA is committed to creating and maintaining an environment free from unlawful discrimination and will not tolerate incidents of discriminatory unequal treatment, hostile environments (including those created by sexual assault and sexual harassment, discussed in greater detail below under “Student Conduct and Discipline”), or impermissible disparate impact based on a student’s protected class, or retaliation against anyone because they have made a complaint, testified, assisted, or participated in any manner in an investigation related to an allegation of discrimination.

Student Rights and Responsibilities

Policy Reference: [DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012](#)

Students are expected to actively participate in the educational process, including school-sponsored activities in and outside of the classroom, as deemed appropriate. Students should bring to the attention of a school employee behavior or activities that may endanger the safety and well-being of themselves or others.

Students shall:

- Comply with policies, procedures, and standards for student behavior;
- Refrain from conduct or behavior that is disruptive;
- Respect the rights and human dignity of other students and all school employees.

Scholastic Integrity

Students are responsible for their own scholastic integrity by neither giving nor receiving assistance (written, oral, or otherwise) on tests, examinations, final evaluations, or class assignments that are to be graded as the work of an individual. Any suspicion or evidence of forging, cheating, or plagiarizing the work of others will be investigated. Any student who is in violation will receive no credit. There will be an appropriate consequence for the particular

assignment, and a letter will be sent home to be signed by the parents and returned to the teacher. A copy of the letter will be filed in the student's discipline folder for the period of the school year.

Freedom of Religious Expression

Policy Reference: [DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012](#)

According to Enclosure 3 of DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012, students may observe religious practice in school, such as celebration of religious holidays, engaging in private prayer, saying grace before meals, and wearing yarmulkes and head scarves, so long as the practice does not violate student standards or cause substantial disruption. Students may engage in independent religious discussion to the same degree that they may engage in other types of permissible speech. The freedom to engage in religious expression in school does not include the right to compel other students to participate in religious practices or discussion.

Weapons Policy

Student possession or use of a knife, gun, or any item considered to be a weapon is prohibited at school or at any school approved activity on or off school property. This applies to all students regardless of age. A weapon is defined as a club, chain, knife, gun, or any object that may be used to cause injury to another person. Offenders will be immediately referred to a school administrator for disciplinary action. Law enforcement officials may be contacted to take whatever action necessary.

Search and Seizure

Policy Reference: [DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012](#)

General, non-individualized searches of school property (e.g., desks, lockers, storage spaces, school computers, including data and internet access records), may be conducted by the principal on a periodic or random basis. The school affords students and parents adequate prior notice of its general search policy through the issuance referenced above and this Handbook. The search shall be conducted by the principal in the presence of another school employee who will serve as a witness. General searches of school spaces and property may be conducted in cooperation with the appropriate installation authorities or military police, including dogs trained to detect the presence of contraband. Evidence found during a general search, or a dog sniff, that alerts authorities to potential contraband, may provide reasonable suspicion sufficient to conduct an individualized search.

Individualized, reasonable suspicion or targeted searches may be conducted by a principal of a student's personal belongings, including bags and the interior of student vehicles on school

property; and in a student's desk, locker, storage space, school computer, or other property of the school when there is reasonable suspicion to believe the student possesses a prohibited item.

Targeted searches may be conducted whenever the student is involved in a school-sponsored or school-supervised activity or event so long as there is reasonable suspicion to conduct the search.

A targeted search of a student's person shall only be conducted under exigent circumstances. When possible, a targeted search of the student's person shall be conducted in a private room, or non-public area, and by a school official of the same sex as the student. Reasonable efforts to locate the student and to notify the parent shall be made prior to a targeted search, or as soon as is practicable under the circumstances.

Student Conduct and Discipline

Discipline

Policy Reference: [DoDEA Regulation 2051.1, "Disciplinary Rules and Procedures," March 23, 2012, as amended](#)

Policy Reference: [DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012](#)

Management of student behavior is a responsibility shared by students, sponsors/parents/guardians, teachers, and the military command and school communities in general, in accordance with Enclosure 2 of DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012. Student behavioral management consists of teaching and reinforcing positive student attitudes and behaviors. Students shall treat teachers, administrators, and other school staff with courtesy, fairness, and respect; and teachers, administrators, and other school staff shall treat students with courtesy, fairness, and respect. All students will be disciplined in a fair and appropriate manner. School administrators shall operate and maintain a safe school environment that is conducive to learning. Administration will ensure prompt investigation and response to incidents or complaints involving students made by students, parents, teachers, or DoDEA staff members.

In accordance with the policy stated in DoDEA Regulation 2051.1, "Disciplinary Rules and Procedures," March 23, 2012, as amended, discipline shall be progressively and fairly administered. Disciplinary actions include, but are not limited to, verbal reprimands, conferences, detention, time-out, alternative in-school placements, school service programs, community service and counseling programs. Other behavior management techniques will be considered prior to resorting to more formal disciplinary actions that remove a student from school for a suspension (short or long term). Long-term suspension or expulsion following a first offense may be considered when a student poses an immediate threat to his or her safety or the safety of others (e.g., offenses involving firearms or other weapons, fighting or violence, or

the possession, use, or sale of drugs). Additional rules and procedures can be reviewed in DoDEA Regulation 2051.1.

Harassment and Threats

Everyone has the right to feel safe and secure in his/her school. Students must feel comfortable and accepted to succeed at school. We are here to learn and grow academically, emotionally, and socially. Students must respect each other's differences. Students must do nothing that will make another person feel threatened physically or socially. Derogatory remarks, threats, and verbal harassment will not be tolerated. Students who are feeling threatened by others should report their concerns to a teacher, counselor or administrator.

Suspension

Some behavior may result in either in-school or out-of-school suspension pending the severity or frequency of the action by the student. The school administrator may suspend a child from school for a period of time, normally not to exceed ten days. The administrator will inform parents of the reasons for both in-school and out-of-school suspension, the length of suspension, and the conditions for reinstatement. Fighting, throwing inappropriate objects, bringing weapons onto campus, abusive language, sexual harassment, and name-calling with racial or ethnic overtones could result in immediate suspension, at the discretion of the principal. A parent must accompany the child to school on the morning following a suspension. At this time, a conference will be held with an administrator to ensure that the child fully understands the expectations to be followed. **Please help us by counseling your children to follow school expectations.**

School Bus Behavior

Policy Reference: [DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended](#)

Riding school buses is a privilege that may be suspended or revoked if a student does not behave in a safe and proper manner in accordance with DoDEA behavior expectations, which is in accordance with Enclosure 8 of DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended.

At the time a student is registered for school, the registrar will provide the students and the sponsor with a transportation packet. Proper conduct aboard busses is essential. Misbehaviors that distract the driver from concentrating on driving are serious safety hazards. Infractions of rules may result in suspension of bus privileges. As a security measure, notifying the classroom teacher of any change in bus plans is essential. This notification must be given to the teachers first thing in the morning. It must be in writing and signed by the parent to ensure authenticity. Phone messages are unacceptable since they cannot be checked for validity. This ensures safety of our students and greatly lessens the stress placed upon teachers in regards to transportation of student. **Students are not permitted to ride another student’s bus.**

All DoDEA students are responsible for not committing acts of sexual harassment, sexual assault, PSB-CY, and other related abusive misconduct in accordance with DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019 (DoDEA AI 1443.02, and for cooperating with any investigations and resolution of complaints made in accordance with this Issuance. The right to be free from other related abusive misconduct includes physical and/or emotional misconduct that does not qualify as sexual assault or sexual harassment, but that is still intended to make a student feel pressured, uncomfortable, physically threatened, in pain, embarrassed, or offended. It also includes the right to be free from an adult, or another student, trying to exploit

their position of authority or influence over a student to force or manipulate them into an inappropriate personal and/or sexual relationship, even if the student does not think it is harmful. DoDEA does not recognize sexual or romantic interactions between any student and a DoDEA employee or volunteer to ever be consensual, even if the student is of the lawful age of consent.

Students who are experiencing sexual assault, sexual harassment, PSB-CY, or other related abusive misconduct should report it in accordance with Sections 4 and 5 of DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019.

It is extremely important that a student not suffer in silence, or be allowed to be exploited or manipulated into an inappropriate relationship. If it is happening to them, personally, or to someone they know, a student should let an adult know about it right away. They may tell someone they feel comfortable with and trust, such as their parent, teacher, nurse, or coach, or go directly to the school principal or program director, at any time. When a DoDEA employee or volunteer becomes aware of a violation of this Issuance, they are required to report it to their school principal or program director, with the possible exception of certain disclosures made during confidential communications not otherwise subject to mandatory reporting requirements in accordance with Issuance.

Students may visit DoDEA’s “Sexual Harassment Awareness and Prevention” webpage to learn more at www.dodea.edu/sexualHarassment.

Role of Social Media

Use of personal social media between parents/teachers/students is discouraged. The only acceptable form of social media communication between parents/teachers/students is through official school social media.

Transportation

Student Transportation Services

Policy Reference: [DoDEA Administrative Instruction 4500.02, “Student Transportation Services,” August 13, 2018](#)

Student transportation is defined as the transportation of students from their assigned bus stop to school at the beginning of their school day, during the mid-day, and for return to their assigned bus stop at the end of the normal scheduled school day. DoDEA principals are responsible for monitoring student loading/unloading zones when students are coming and going from school sites as well as administering discipline. A school bus or any device operating to provide student transportation will function as an extension of the school. The walking distance for grades 6 and below should not exceed one mile from the student’s primary residence to the school or designated bus stop.

Transportation is not authorized to take students to their homes or to eating facilities for their mid-day meal. No other transportation between the assigned bus stop and the school will be charged to commuting transportation unless noted on a special education student’s IEP and/or required by Section 504 guidelines. “Curb-to-curb” only applies to students with disabilities who require such service as documented in the student’s IEP. DoDEA District Superintendents, in coordination with the District Logistics Chief and the supporting military installation commanders, will establish a commuting area to determine eligibility for transportation of dependent students.

Emergency Procedures

The safety of students is a priority at WPES. For that reason we hold monthly fire drills and periodic drills for school emergency evacuation and lockdown. Each classroom in the school has plans posted for evacuation in the event of fire or other emergencies.

It is important for you to stress safety with your children. In the event of an actual school evacuation, students must always remain with their group or class and evacuate the building. They must wait with the teacher in a designated area for further instructions. The school will use AdHoc to communicate any necessary special instructions to the community. In order to maintain accountability and dismiss in an orderly manner, please wait for instructions before arriving at school. The school's phones should remain free for outgoing calls. You may call the school's message machine at 845-938-3827.

Students are assessed through the Gifted Review Committee, which is established to assist with student referrals, as well as decisions concerning students within the program. This committee is comprised of the teacher of the gifted and other faculty members. DoDEA has established guidelines for the Gifted Education Program.

School Closures

On days when the West Point Schools are closed due to inclement weather, the news media will make appropriate announcements. The decision to close the West Point Schools is made by WPS administration, in consultation with USMA, and is independent of other school districts, i.e., Highland Falls. School authorities in the surrounding communities may or may not close their schools. On days when weather is inclement, parents are urged to insure that school will be in session prior to **dropping their children off at school.**

AtHoc —School delays, closures, early dismissals and information about school events will be communicated to parents using the *AdHoc* notification system. *AtHoc* sends a recorded message to every telephone number listed in the school database so that parents will be sure to receive critical information. The only way to keep the message from going to a particular phone number is to remove it from the school database, which would mean that the number would not be accessible to teachers or other staff members.

Dress Code for Physical Education Class

Children participate in many different activities and sports in Physical Education that include changing direction, stopping and starting. For safety, we require sneakers for maximum participation and that no jewelry to be worn in class. No slip on or sandal/sneaker type of sneaker will be permitted. Many students leave an extra pair of sneakers in their backpack

throughout the year. Jewelry such as rings, bracelets, necklaces and hoop-like earrings can cause injuries while being physically active. Students may leave jewelry home on their P.E. day, or leave it in their classroom, or put it away in a pocket.

Please check the Bulldog Blast to learn what day your child is scheduled to have P.E. If your child needs to be excused from class, please send in a note to our School Nurse. Without a note, he/she will be asked to participate to the best of their ability.

Electronic Devices

Electronic devices (including, but not limited to: cellular telephones, digital cameras, music players such as iPods, recording devices, video games, video recorders) are not permitted at WPES. School Trips

At various times during the school year classes take study trips as part of the instructional program. Study trips are considered part of the instructional day. Children **MUST HAVE A PERMISSION SLIP SIGNED BY THE PARENT** before they go on any trip leaving the school and post. Students are expected to attend all study trips. If a parent chooses not to send a child on a study trip, they are to keep the child at home or coordinate with the classroom teacher for placement of the child during the study trip. **Teachers have the responsibility** to withdraw study trip privileges from students whose behavior is inappropriate. (Parents may attend with the child in these instances.) ***Chaperones MAY NOT bring a younger sibling/infant on a study trip.***

As an invited chaperone, one's responsibility must be to supervise the students. The following is a list of responsibilities for chaperones:

- Supervise students assigned by the classroom teacher at the study trip site.
- Keep "your" students in view at all times
- Follow the teacher's directions if an assignment is part of the study trip plan.
- During lunchtime, keep your students together.
- Remind students to clean up after themselves.
- Remind students to be courteous and polite at all times.
- Purchasing souvenirs is discouraged, and chaperones are requested **NOT** to purchase items for the students they are supervising.
- If a student becomes ill or gets hurt, contact the teacher immediately.

- In compliance with DoDEA Policy, chaperones will not consume alcoholic beverages or smoke while on “duty” as chaperones on school sponsored trips.
