Review of Proposed SAC Meeting Dates:

Quarterly meeting dates:

March 4, 2021

June 3, 2021

These meeting dates were approved.

IAC meeting dates will be added

Old Business:

- Bike Lane – still no movement on the bike lane. Ms. Watts will check with base personnel to check the status of this job.

New Business:

- Open Forum

Question was asked about hiring new teachers. This question was asked in relation to combination classes. The question was about class size in 3rd grade. A request would need to be sent to manpower to request additional staffing if class sizes exceed the recommended size for the grade band. Once we receive notification that additional manpower is added, a long term sub can be placed until the new teacher arrives.

Meeting was adjourned at 4:17.
