

DEPARTMENT OF DEFENSE EDUCATION ACTIVITY

# Certificate of Appreciation

*Presented to:* \_\_\_\_\_

*The Department of Defense Education Agency recognizes the contributions that you as a school nurse make every day to improve the health and success of our students, who face more challenging issues today than ever before. This year's National Association of School Nurses theme, "Advocacy, Access, Achievement: Leading the Way," is reflective of the overall positive impact you as a school nurse have on priority one--the health and well-being of our students.*
