

How to Log On – Learner Home

When you want to login...

DAU is providing access and login support for the DoDEA learning management system. You will receive emails from DAU initially.

Step 1: Login to Identity Management

You will receive automated emails from Noreply@dau.edu once your account has been created advising you to login to <https://identity.dau.edu>. Students who have a DoD CAC are encouraged to login with their Username and Password first to set up their account so they can change their password. You will also be prompted to fill out security questions so you'll be able to utilize the self-service features if you need assistance with your credentials in the future.

Customer Support Resources | 866-568-6924 | Request an Account

First time students should receive the following emails:

- Username Email
- Password Email
- Access Granted Email

Step 2: Access DoDEA LMS

Once you've set up your account in the Identity Management System, you can access the DoDEA learning management system using the URL provided below. We recommend adding the page to your bookmarks or favorites.

[HTTPS://DAU.CSOD.COM](https://dau.csod.com)
