1. Select Your Pledge Method & Account
   - Payroll
   - Credit/Debit Card
   - Bank Account
   - Volunteer Only

2. Choose Your Payment Frequency

3. Set Your Annual Pledge
   According to Reg 566.701, Subpart G, section (1) - The minimum amount of the allotment will not be less than $1 per payday per charitable organization. Additionally, the minimum contribution amount if electing a credit card or bank account will not be less than $10 per contribution.

   - Semi-Monthly: $0.00
   - Bi-Weekly: $0.00

   Enter Your Total Annual Pledge Amount:
   - Annual: $0.00

Your total annual pledge will match your contributions if deductions are received in all pay periods for the complete CPC pledge year. Actual annual deductions could be less than your pledge. The scheduled contribution shown is the amount of each of your deductions regardless of when processing begins. Your scheduled deductions may take up to 1 to 2 cycles to process. Due to rounding, your deductions may also vary slightly.
I entered $10 ppd and the rest auto-populated.
You can add more charities, continue the pledge or adjust the amount....
You can edit the values for each charity you choose

4. Update this table to reflect how you want to distribute your pledge to your selected charities.

If you've elected to volunteer hours, you can either complete the next page and share your contact information with the charity(ies) to contact you, or you can go back to the charity listing and obtain the charity's contact information to contact the charity(ies) directly.
