NDSP Online Orientation Objectives

Upon completion of the NDSP Online Orientation, sponsors will:

1. Understand what NDSP is, who is eligible, and what the basic entitlements are.
2. Understand what the DSSR is.
3. Know the DSSR rate for the grade level of the sponsor’s dependents and the sponsor’s duty station.
4. Know what expenses are eligible for reimbursement and what expenses are not.
5. Understand that any educational expenses (i.e. tutoring, special education or gifted) must be pre-approved by the area NDSP Education Specialist. If not pre-approved, the sponsor is responsible for the expenses.
6. Understand the enrollment process and when it is permissible to commit government funds for educational expenses the sponsor expects to be reimbursed for through the NDSP.
7. Know who to contact if they have further questions regarding NDSP.

"NDSP" stands for the Non-DoD Schools Program. The Department of Defense Education Activity (DoDEA) manages the program worldwide. The program provides financial support to defray the educational costs to authorized dependents of eligible DoD sponsors assigned to foreign locations outside the commuting area of a DoD school.

DoDEA does not “approve” or certify schools. Parents may choose the educational setting for their child from among the authorized placement options for the assigned duty location.

In instances when children need support for special education, families will be notified through the military Exceptional Family Member Program (EFMP) or civilian screening process of the schools that are able to meet the student’s academic needs. Families will need to choose between the schools that are listed on the EFMP/Civilian screening document.

How do I know if it is an NDSP location?

- There are a variety of ways to find out if the command you are transferring to is an NDSP location.
  2. There are resources that can provide you with information about the educational options at your receiving command. Contact your sponsor, the NDSP Liaison, the School Liaison Officer, or even a colleague.
  3. Contact the DoDEA NDSP office. See the contacts page.
  4. Visit the DoDEA website to see if there is a DoDEA school that serves your child’s grade at your new overseas location. If there is, it is not an NDSP location. [http://www.dodea.edu/aboutDoDEA/districtsAndSchools.cfm](http://www.dodea.edu/aboutDoDEA/districtsAndSchools.cfm)
Non-DoD Schools Program (NDSP)

Are my dependents eligible for NDSP?

- Non-DoD Schools Program eligibility is determined by the following criteria:
  - Sponsors must be assigned to a location outside the commuting area of a DoD school.
  - Sponsor must be a military service member serving on active duty and stationed overseas on Permanent Change of Station (PCS) orders, or a civilian employee of the Department of Defense who is employed on a permanent full time basis, stationed overseas, and is either a citizen or a national of the United States;
  - Sponsors must be authorized to transport dependents to or from an overseas area at government expense, and,
  - Sponsors must receive an allowance for living quarters in that area with the “at family” or “with dependent” rate.

SPONSORS THAT ARE FILLING A T-20 BILLET (SAO, FMS, T-20, ODC) MUST ENROLL IN NDSP AND FOLLOW ALL OF THE NDSP PROCEDURES AND REQUIREMENTS; HOWEVER, YOU NEED TO CONTACT YOUR COMMAND’S BUDGET OFFICE BECAUSE THEY WILL PAY THE TUITION AND FEES BASED UPON NDSP GUIDELINES.
DoDEA Non-DoD Schools Program (NDSP)

Kindergarten Enrollment Age

- DoD dependents under the NDSP follow the same criteria as DoDEA policy for entrance into kindergarten and first grade.
  - It is DoDEA policy that a child must reach age 5 or 6 years old for entrance into kindergarten and first grade respectively.
  - For a school following the Northern Hemisphere school calendar which typically starts in July, August or September, the child must reach age 5 by 1 September of the enrolling school year to the US equivalent of kindergarten or must reach age 6 by 1 September for the enrolling school year for first grade.
  - For a school following the Southern Hemisphere school calendar which typically starts in January, February or March, the child must reach age 5 by 1 February of the enrolling school year to the US equivalent of kindergarten or must reach age 6 by 1 February for the enrolling school year for first grade.
  - NDSP will fund only one year prior to the equivalent of US first grade (kindergarten). In schools utilizing a British curriculum, the equivalent of US kindergarten is Year 1.
- Please note: NDSP cannot reimburse families for any educational expenses incurred prior to one year before the U.S. equivalent of first grade (kindergarten). If a host nation has a compulsory age requirement for students, but the NDSP student will not be enrolled in the equivalent of US kindergarten, the family will need to enroll the child in the host nation public school or they may choose to send the child to a private school at their own expense.
Non-DoD Schools Program (NDSP)

Is Pre-K covered under the NDSP?

- Pre-K is any education provided more than a year prior to first grade.

- No, Pre-K is not authorized under the NDSP. The Department of Defense Education Activity (DoDEA) is only authorized to enroll and provide financial assistance to eligible dependents in grades kindergarten through twelfth grade.
  - The only exception is when a child between the ages of 3 and 5 is identified with special needs and pre-k services are included in the IEP.

- No exceptions to policy requests are considered for entrance age waivers.

- Pre-K is called different things in various countries. Some examples include:
  - United Kingdom/British Curriculum: Pre-K is called RECEPTION or NURSERY
  - Netherlands: Pre-K is called group 1
Non-DoD Schools Program (NDSP)

What is my education rate?

- An education rate is established to assist Sponsors in meeting the extraordinary and necessary expenses incurred by the Sponsor in an overseas location. The education rate is referred to as the DSSR rate. The DSSR is used to defray the costs; it is not meant to cover every expense.

- The education rate is set by the Department of State (DoS) and is published in the Department of State Standardized Regulations. Each location has a DSSR rate for the education allowance. There is an “At Post” rate and an “Away from Post” rate.
  - School at post means an elementary or secondary school within daily commuting distance of the employee's post of assignment.
  - School away from post means an elementary or secondary school so far beyond daily commuting distance of the employee's post as to necessitate board and room in connection with attendance.

- The education rate is your maximum allowance. It is extremely important to know your DSSR rate PRIOR to choosing a school. Your child’s tuition, transportation and any other fees in total must be below or within the DSSR. Any expenses incurred above the DSSR rate will be the responsibility of the Sponsor.

- One time fees are not part of the DSSR rate cap and are paid once per tour unless the school does not offer the next grade.

- Visit the DOS website and find your DSSR [http://aoprals.state.gov/Web920/location.asp?menu_id=95](http://aoprals.state.gov/Web920/location.asp?menu_id=95)
Understanding the DSSR

• When the “At Post” and the “Away from Post” rate are the same amount, it means that there are adequate schools available.

• When the “Away from Post” rate is HIGHER than the “At Post” rate, boarding may be authorized in some locations. You will need to contact the NDSP Program Management Eligibility Team to verify if boarding is authorized.

Understanding the DSSR

• Location of duty station (not where you choose to live)

• Each grade level has a DSSR rate.

• The “Away from Post” rate is only used when there are no adequate schools within the commuting distance and boarding school is selected as the educational option. It is best to check with the NDSP Liaison or NDSP HQ when you are unsure of which rate to use.

• Remember that the sum of all annual costs and transportation fees must be at or below the DSSR. Anything above that amount is the responsibility of the sponsor.

Non-DoD Schools Program (NDSP)

What are the Educational Options in NDSP?

Placement of students in locations not served by DoD schools is defined in DoDEA Regulation 1035.1, “Use of Non-DoD Schools,” paragraph 4.10. Educational options are determined by the following placement priority order:

- Elementary School Services / Placement (Grades K-5) in priority order
  1. Local public school delivering instruction in English and is tuition-free;
     - Exception for South Africa, Singapore, and Jamaica.
  If not available then,
  2. Home-based schooling/correspondence courses reimbursed by NDSP (parent option), or,
  3. Local private day school delivering instruction in English.

Sponsors desiring their child/children to attend a host nation school with instruction delivered in a language other than English must obtain pre-approval from the NDSP program management. Consideration will be given if the child is fluent in the language of instruction, if there are no other local alternatives, or if it is a cost savings to the government.
Non-DoD Schools Program (NDSP)

What are the Educational Options in NDSP?

Priority order for middle school (grades 6-8) placement of students in NDSP:

1. Local public school delivering instruction in English and is tuition-free; *(Exception for UK, Australia, New Zealand, South Africa, Singapore, and Jamaica)*. If not available then,

2. Home-based schooling/correspondence courses reimbursed by NDSP (parent option), or,

3. Local private day school delivering instruction in English - tuition reimbursed by NDSP. If not available then,

4. When a “tuition-charging school” is authorized, Sponsors may choose to enroll their children in grades 6-12 in an accredited and diploma granting virtual school where students interact with credentialed teachers who deliver comprehensive instruction in a live, online classroom. **THIS OPTION REQUIRES PRE-AUTHORIZATION. ALL REQUESTS TO USE THIS OPTION SHOULD SUBMIT A LETTER OF REQUEST TO NDSP.Management@hq.dodea.edu.**

5. Private boarding school. Boarding school (OCONUS/CONUS) delivering instruction in English or any language acceptable to the parents within the established DSSR cap based on the sponsor's post location. "Boarding School" is defined as a school providing residence halls on campus and meals in addition to an education. **BE SURE TO CHECK WITH YOUR NDSP LIAISON OR NDSP PROGRAM MANAGEMENT ELIGIBILITY TO ENSURE YOUR LOCATION IS AUTHORIZED FOR BOARDING SCHOOL.**

- The “At Post” rate may be used to defray the cost of boarding school.

What are the Educational Options in NDSP?

Priority order for High School Services Placement (Grades 9-12)

1. Local public school delivering instruction in English and is tuition-free; *(Exception for UK, Australia, New Zealand, South Africa, Singapore, and Jamaica).* If not available then,

2. Accredited Home-based schooling/correspondence courses reimbursed by NDSP (parent option), or,

3. Local private day school delivering instruction in English - tuition reimbursed by NDSP. If not available then,

4. When a “tuition-charging school” is authorized, Sponsors may choose to enroll their children in grades 6-12 in an accredited and diploma granting virtual school where students interact with credentialed teachers who deliver comprehensive instruction in a live, online classroom. **THIS OPTION REQUIRES PRE-AUTHORIZATION. Non-DoD Schools Program (NDSP)

What about Host Nation “Public” Schools?

- If there are no adequate schools that deliver instruction in the English language within the commuting distance (1 hour) of the Sponsor’s duty station, the use of a non-English language school may be approved. Approval must be obtained from NDSP program management and must be made in advance of enrollment. Please submit letters requesting enrollment in host nation public schools to NDSP program management. In the cases where no English speaking schools are available, the Sponsor may be eligible for host nation language support.

- Any host nation language support needs to be pre-authorized by the area NDSP Education Specialist.

- Parents who wish to enroll their children in Host Nation Public schools even though there are English speaking schools in the commuting area must obtain pre-approval by submitting a request to NDSP.Management@hq.dodea.edu. Consideration will be given if the child is fluent in the language of instruction, if there are no other local alternatives, or if it is a cost savings to the government.
The “At Post” rate may be used to defray the cost of boarding school (tuition, boarding).

When boarding school is authorized and approved, you may choose to send your child to boarding school in a country different from your post location; however, you are only authorized the DSSR rate for the location of the sponsor’s duty assignment. Any expenses above the DSSR will be the responsibility of the Sponsor.

Note: If you choose a boarding school in a foreign country, foreign currency fluctuation is not factored in the DSSR rate and may cause excessive out of pocket costs for the sponsor.

“Boarding School" is defined as a school providing residence halls on campus and meals in addition to an education.

At no time is enrollment in a private day school without boarding in the United States authorized for reimbursement under the NDSP.

At no time is reimbursement for public school tuition in the United States authorized for reimbursement under the NDSP.

Transportation for Boarding School Students Authorized DSSR “Away from Post” Rate:

- NDSP will fund transportation from the duty station to school once at the beginning of the school year and transportation from school to the duty station once at the end of the school year.

- Student must be on official travel orders issued by the Service, Command or Agency.

- Note: Sponsor is required to remove student from Cost of Living Allowances (COLA) when the student is away from post
Non-DoD Schools Program (NDSP)

**What if I am filling a PEP or DoS billet?**

- Dependents whose DoD sponsors are either independently assigned to a Department of State (DoS) activity or in a Personnel Exchange Program (PEP) status to a host nation program and are stationed in an English speaking location where there is no DoD school within the commuting distance are afforded the same educational placement options provided to DoS employees to which the DoD sponsor is assigned or attached up to the published DSSR rate.

- Sponsor’s orders **must** state your PEP or DoS assignment and sponsors must annotate PEP or DoS eligibility during online registration process. If orders do not state PEP or DoS assignment, sponsors must upload additional supporting documentation during the online registration process.
Non-DoD Schools Program (NDSP)

Exception to policy for English-speaking countries

- BEFORE requesting an exception to policy for private school, sponsors must demonstrate that they have applied and/or registered their children for the local public school system as outlined in DoDEA Regulation 1035.1, "Use of Non-DoD Schools," paragraph 4.6.2.

- Sponsors assigned to the United Kingdom may apply and be reimbursed for one private school application fee in order to have an alternative in case a school "Satisfactory to the Secretary" cannot be secured.
  - Schools in the United Kingdom are satisfactory if they have an OFSTED score of 1, 2, or 3.

- With required documentation, NDSP will consider exceptions to policy in situations related to access and safety. Visit the NDSP website for more detailed information about requesting an exception due to access or safety concerns. [http://www.dodea.edu/nonDoD/placement.cfm](http://www.dodea.edu/nonDoD/placement.cfm)

- All requests must follow the exception to policy procedures and must be submitted in writing to the Department of Defense Education Activity (DoDEA) NDSP office. (NDSP.Management@hq.dodea.edu)

- NDSP will not pay or reimburse private school deposits if the exception to policy is not granted.
The Non-DoD Schools Program (NDSP) is committed to the provision of appropriate special education and related services for DoD dependents who are space-required and eligible for NDSP.

Please click on the link below to read about the procedures that will be followed in the identification and provision of special education services for eligible DoD dependents residing in areas where there is no DoD school. [http://www.dodea.edu/nonDoD/specialEducation.cfm](http://www.dodea.edu/nonDoD/specialEducation.cfm)

Sponsors (military and civilian) with dependents that have special needs need to complete the [DD Form 2792-1](http://www.dodea.edu/nonDoD/specialEducation.cfm) and complete the overseas educational screening process.

- Military dependents with special needs must go through an educational screening through Service’s Exceptional Family Member Program (EFMP) in order for NDSP to determine if adequate support services are available at the receiving duty station. Please request a copy of the final determination and recommendations.
- Civilian employees with dependents that have special needs should fill out the DD Form 2792-1 PRIOR to PCS and provide to the employer. The NDSP Education Specialist will conduct an educational screening to determine if the special education needs of the student can be met at the PCS location. While agencies cannot preclude you from accepting an assignment, you should carefully consider the consequences and impact if you choose to accept an assignment if travel is not recommended by the NDSP Education Specialist.

The area NDSP Education Specialist must issue authorization of payment for the cost of all special education services prior to incurring any expense. DoD sponsors assigned to overseas locations are not authorized to obligate the U.S. Government, contract with a private institution, or charge educational fees to DoDEA appropriations without obtaining prior approval from the NDSP.

The DSSR is different for special education. Contact the area NDSP Education Specialist for assistance in helping you understand the special education rate.

Non-DoD Schools Program (NDSP)

How do I enroll in NDSP?

- Upon receipt of assignment orders to an overseas location where there is no Department of Defense School, contact the NDSP Liaison or Point of Contact (POC) at your gaining command/new location.

- The NDSP Liaison/POC will provide information on available schooling options at that location. NDSP also has a Non-DoD Schools Listing on our website. This list is not an “approved” list, but a listing of schools that we have had NDSP students utilize in the past.

- Gather information about the educational options available and decide which option is best for your dependent(s). It is recommended to review “Choosing an International School”, located on the NDSP website, to assist you in the decision making process.

NEW FOR 2013-2014 SCHOOL YEAR: All Sponsors ARE REQUIRED to complete an NDSP Family Budget Planning Tool as a part of first time registration. Reimbursements may not be processed without the first time submission of the NDSP Expense Plan. It recommended for the sponsor to RESUBMIT ANNUALLY. No reimbursements will be made without a school calendar and fee schedule (the fee schedule is required if the school charges tuition). The NDSP Family Budget Planning Tool and corresponding parent guide are available on our website at: http://www.dodea.edu/nonDoD/index.cfm

- Enroll in NDSP by registering ONLINE at: https://registration.dodea.edu/NDSP/

- Note: Students who have special education needs should contact the Area NDSP Education Specialist. See the NDSP Special Education section on our website and the area Education contact information on the contact page.

- Note: Parents electing to enroll their dependents in a home study program should refer to the Home Based Education information on this website. http://www.dodea.edu/nonDoD/HomeBasedEducation.cfm
Non-DoD Schools Program (NDSP)

When can I apply and register for a school?

- Sponsor MUST obtain approval for tuition and other expenses from DoDEA HQ NDSP office prior to incurring any expense, or signing any agreements and/or contracts. Please be sure to read all contracts and agreements carefully and understand early withdrawal penalties, etc. The Sponsor is entering into the contract, not DoDEA. Any penalty fees for failure to comply with the school’s contract are the responsibility of the Sponsor.

- NDSP will process the enrollment through the NDSP Student Online Registration system and send an email notification to the Sponsor upon finalizing and authorizing the registration.

- Upon receipt of the email notification of approval from NDSP (within 14 days), the sponsor may proceed with completing the application to the school listed in the email.

- The amount of financial assistance which may be utilized to defray the costs is defined by the Department of State in the Department of State Standardized Regulations (DSSR). The NDSP Family Budgeting Tool will walk you through determining which DSSR to use for your overseas location. Non-DoD Schools Program (NDSP)

How do I get reimbursed for NDSP costs?

- All applications, deposit, tuition, transportation and other fees can be submitted to NDSP HQ for reimbursement once the Sponsor has arrived at the OCONUS duty station. No fees can be reimbursed prior to transfer.

- Review the NDSP website for the “Procedures for the Submission and Payment of Invoices”.

- Sponsors must fill out the Sponsor Claim for Reimbursement located on the RESOURCES page of the website and submit paid receipts. An Electronic Funds Transfer (EFT)worksheet must be on file for DFAS payments. These documents can be found at [http://www.dodea.edu/nonDoD/resources.cfm](http://www.dodea.edu/nonDoD/resources.cfm)

- For regular tuition and fees payments, it is most convenient to have the school directly invoice NDSP.

- Please note that reimbursements may take up to 30-40 days due to DFAS processing times.

What if I want to change schools?

- NDSP requires documentation of any changes in schools, family residence, mode of transportation, or the sponsor's tour of duty has been extended. All changes must be submitted to the NDSP.Invoices email (see contacts page) for prior approval.

- If the sponsor wishes to have their dependent change schools or the school does not offer the next grade, a new DoDEA Form 610, school fee schedule, and school calendar must be submitted to the NDSP.Invoices email (see contacts page). It is recommended the sponsor complete the NDSP Family Budget Planning Tool to ensure knowledge regarding the DSSR, allowable costs and costs to the sponsor.

- If the student receives services as part of a Learning Support Plan/Individual Education Program (IEP), the sponsor must contact the area NDSP Education Specialist for coordination (see contacts page).

Note: The Non-DoD Schools Program pays one-time fees (i.e., building and maintenance fees, admission fees, registration and matriculation fees if listed on the school's fee schedule, laboratory, library, group sports class fees, and required "donations") **only once during a sponsor's tour of duty** unless the school does not offer the next grade.

Do I need to re-enroll in NDSP each year?

BEGINNING 2014-2015 SCHOOL YEAR  All families already enrolled in NDSP will have to re-register each year. It is an abbreviated process in which you verify intention of attendance in an NDSP school, provide the school fee schedule and the SY 14/15 school calendar (if available). Additionally, if a Sponsor’s orders are due to expire during the school year, or the sponsor is extended or, new orders/extension documents must be submitted to NDSP. Tuition payments will not be made if there is an expired DEROS/PRD.

- It is recommended the sponsor complete the NDSP Family Budget Planning Tool annually to ensure knowledge regarding the current DSSR, allowable costs and costs to the sponsor.

What do I need to do if I am transferring?

- When a parent withdraws a dependent from a school, the sponsor must notify three offices:
  1. The school the student is attending,
  2. The local NDSP Liaison, and
  3. The Non-DoD Schools Program Processing/Invoicing Office at HQ DoDEA NDSP.

- If the child participates in a group transportation option, please ensure the transportation office is notified.

PLEASE BE AWARE OF THE SCHOOL’S TIMELINE FOR NOTIFICATION FOR WITHDRAWAL! FAILURE TO GIVE PROPER NOTICE MAY RESULT IN AN EARLY WITHDRAWAL FEE WHICH IS NOT AN AUTHORIZED EXPENSE FOR REIMBURSEMENT.
