A Modern Platform Built for Modern Students

Technology has transformed the way students learn and succeed. SchooLinks is at the forefront of innovation - bringing the latest technology and user experience to power a true student-centric college and career planning experience.

SchooLinks features are designed with students in mind to help them become career, college, and life ready. SchooLinks features are incredibly user-friendly and content can be easily comprehended by students.
Benefits of SchoolLinks

- Personalized graduation and postsecondary transition plans based on student information;
- Robust college, career, and scholarship searches by user-identified requirements;
- Easy to navigate comprehensive dashboard with features such as tracking college scholarship applications and a “to-do” list to optimize organization; and
- A family engagement portal for parents to explore their child’s pathways, monitor progress, and communicate with school counselors.

Parent / Guardian Log-in Information

Parent / Guardian Account Features Overview

Students and Parents / Guardians Can:

- Track progress of students’ 4/6-year high school graduation plan;
- Learn more about students’ interests and career suitability by reviewing activities, strengths, and mindset assessment results;
- Check a personalized dashboard for upcoming events, important reminders, and to-dos;
- Increase financial literacy by comparing college costs, exploring expected financial aid, family contribution, scholarships, and out-of-pocket expenses in the “game of life;”
- Explore traditional and emerging career fields as well as military employment options; and
- View virtual reality college campus tours and mentor videos.
