Course Description

Focus Math (year-long) is a course for students in Grades 9-12 with disabilities (LIMS and LISP) who are being taught based on the DoDEA ELA/Mathematics alternate content standards. This class offers the student the opportunity to have skills re-taught in a manner that best fits the student's learning style. The class reinforces skills in the general curriculum and provides the student with opportunities to practice the skill to enhance mastery. Course Note: This course is for one hour period.
