School year

2023 - 2024

Course Description

The Air Force JROTC IV (year-long) course is designed to present the primary features of civil aviation and its impact on our society careers available in the civil and military aerospace community, and descriptions and uses of modern aerospace vehicles. Students enrolled in this course will be administered the NOCTI JROTC Leadership and Employability Skills credential exam. Course Notes: This (year-long) course satisfies the Career Technical Education (1 of 1.5 credits) graduation requirement. Two years of JROTC enrollment fulfills the DoDEA .5 credit PE Lifetime Sports graduation requirement.
