DoDEA Pacific East District announces Steven Dreskler as Chief of Staff

Department of Defense Education Activity – Pacific East District Superintendent Dr. Jacqueline Ferguson is pleased to announce Mr. Steven F. Dreskler assumed the position of Chief of Staff for the Pacific East District on August 1, 2023.

Prior to this assignment, Mr. Dreskler served as the Chief of Logistics for the Pacific East District. In this position, Mr. Dreskler managed all aspects of Logistics to include Student Transportation Services, Supply Policy and Management, School Meals Program, and Support Agreements.

Mr. Dreskler previously served as a Financial Analyst for the Resource Management Division at DoDEA Headquarters. His experience also includes serving as a Manpower Analyst, providing oversight of the manpower program for the 20 schools in the Pacific East District.

Prior to joining DoDEA, Mr. Dreskler was a United States Air Force Quality Assurance Analyst. His duties included program management and budgeting for the Yokota Air Base Communications Squadron Planning and Implementation Flight.

Mr. Dreskler served in the United States Air Force, completing his final tour at the Air Force Civil Engineer Center, Tyndall Air Force Base, Fla. He looks forward to serving the military-connected families and students in the Pacific East District.
