Teacher of the Year Southeast District 2004

Joyce Loyd teaches 5th Grade at Lucas Elementary School, Fort Campbell, Kentucky. She has completed her Masters of Arts degree in Elementary Education from Austin Peay State University. Joyce states that she cannot remember a time when she did not want to be a teacher. During her 26 year teaching career, she feels her greatest accomplishments have been the positive relationships she builds with her students and their parents. It is because of these relationships that she is able to successfully teach her students, and help them to realize their individual worth and talents. A student remarks, "Mrs. Loyd gives each of us individual attention. She helps us with things we don't understand and listens to us. She is truly "somebunny" special and we are thankful she is part of our lives."
