School-Level Professional Opportunities

The Employment Application System (EAS) allows School-Level Professionals (i.e. teachers, school counselors, nurses, psychologists, occupational and physical therapists) seeking employment with the Department of Defense Education Activity (DoDEA) the ability to submit and manage their applications online. Applicants may update their application information annually.

School-Level Professionals (i.e. teachers, school counselors, nurses, psychologists, occupational and physical therapists) who are interested in opportunities within DoDEA's school system should review Application Requirements and then use DoDEA's Employment Application System (EAS) to apply. *DoDEA does not post vacancy lists for open Educational Professionals.*
